Comment : As a trade association with a Washington-based office, CMOR understands the importance of political engagement. Accordingly, we wanted to write a brief remark in support of the Commission's suggested changes.

Trade associations, within reasonable boundaries, should have as much access to the machinations of federal government as any other political actor. We applaud the FEC for pursuing regulatory guidance that would help bring about such a scenario.

Yours,
Brian D. Dautch
Director of Government Affairs
CMOR,
The Council for Marketing and Opinion Research
