FEC PUBLISHES LIST OF JULY 10 2ND QUARTER REPORT "NON-FILERS"

WASHINGTON - September 13, 1978 - The Federal Election Commission today published the names of 138 Federal Candidates, their principal campaign committees, and other political committees from 33 states, and the District of Columbia, which failed to file 2nd quarter 1978 campaign finance reports, covering activity from April 1, 1978 thru June 30, 1978.

In election years, quarterly financial reports are due on April 10, July 10, October 10, and January 31, following the close of the immediately preceding calendar quarter in which a candidate or political committee received contributions in excess of \$1,000 or made expenditures in excess of \$1,000. Exemptions from filing quarterly reports are granted if a political committee or candidate notifies the Commission on FEC Form 3a or by letter stating that neither receipts nor expenditures exceeded \$1,000 in the quarter.

NOTE: The list of 1978 July 10 Non-Filers is on page 2.

The Federal Election Campaign Act of 1971, as amended in 1974 and 1976, states that "It shall be the duty of the Commission to...prepare and publish from time to time special reports listing those candidates...for whom...reports were not filed as so required."

In addition to publishing the names of non-filers, the FEC has the authority to undertake further enforcement action under the statute, including civil court enforcement and imposition of civil penalties (\$5,000 for "any violation" and \$10,000 for a "knowing and willful violation.")

Under FEC procedures, three notices are sent to the candidates and committees reminding them of their reporting obligations, and urging compliance. If a report is not filed following these notices, the names of all "non-filers" are made public.

"Prior notice" is the first reminder, sent on a routine basis prior to the filing date, to all candidates and political committees registered with the Commission. This notice simply reminds candidates and committees of their required reports, and the appropriate filing dates.

The second notice is sent only to candidates and committees whose reports have not been received by or shortly after the filing date, and states that this "apparent failure...gives the Commission 'reason to believe' that the candidate or committee is in violation of the reporting requirements."

The third notice is sent only to candidates and committees whose reports are not filed in response to the second notice, and states that "continued failure to file has given the Commission 'reasonable cause to believe'" that they are in violation, and that "failure to respond may subject the candidate or committee to civil penalties and...to publication of the candidate's or committee's name on a list of non-filers."

When a candidate or committee continues to fail to file after receiving the three notices, the Commission publishes the name of the candidate and/or committee on a list of "non-filers."
