FEC COMPLETES UP-DATE OF STATE-BY-STATE CAMPAIGN FINANCE LAW PUBLICATION

WASHINGTON--An up-dated comprehensive summary of state-by-state campaign finance laws has been made available by the Federal Election Commission.

"Campaign Finance Law 84", prepared by the FEC's National Clearinghouse on Election Administration, is the first revision of this publication since 1981. Part One of the volume contains quick reference charts of Campaign Finance Report Filing Requirements; Contribution and Solicitation Limitations; and States With Special Tax and Public Financing Provisions. Part Two, Summaries of State Campaign Finance Law, contains detailed summaries of individual state laws.

The FEC said it expects to revise and update the publication biennially in the future, with research during odd years and with publication in even years.

"Campaign Finance Law 84" is available to the public through the Government Printing Office at a cost of \$9.50. Anyone wishing to order a copy or copies may do so by writing the Superintendent of Documents, GPO, Washington, D. C., 20402, making reference to "Campaign Finance Law 84, No. 052-006-00030-9".
