FEC APPROVES MATCHING FUNDS FOR 1984 PRESIDENTIAL CANDIDATES

WASHINGTON—The Federal Election Commission today certified \$5,317.95 in Federal Matching Funds to 1 1984 Presidential campaign. This payment was for monies resubmitted by the campaign for matching federal dollars. This raises to \$36,519,126.56 the total amount of federal funds certified thus far to 11 Presidential candidates eligible to receive federal primary matching funds.

The following chart lists the amount certified to each candidate today, together with the cumulative amount each has received to date:

Candidates must also agree to abide by spending limits, to keep certain records, and to submit those records for audit. Only contributions from individuals in aggregate amounts of no more than \$250 are matchable.
