*Following a complaint, the FEC may make a "reason to believe" finding which may trigger an investigation. Subsequently, the FEC may find "probable cause to believe" violation(s) occurred. An affirmative vote of at least four Commissioners is required for any action. At this stage the conciliation process could begin. If conciliation fails the FEC may institute a civil action for relief. The Commission may close a case at any point. For a complete explanation of the enforcement process - contact the FEC Press Office.
