FEC ANNOUNCES 1992 PRESIDENTIAL MATCHING FUND SUBMISSION & CERTIFICATION DATES

WASHINGTON -- The Federal Election Commission has established and notified 1992 presidential candidates of matching fund submission and certification dates.

In addition to sending a letter to all presidential candidates, the FEC will be publishing a notice of the dates in the Federal Register.

In accordance with the Commission's Guideline for Presentation in Good Order, matching fund submissions and resubmissions must be submitted by 4 p.m. on the designated submission dates. Threshold submissions, necessary for establishing a candidate's eligibility for matching funds, may be submitted at any time. A candidate must be declared eligible by the Commission prior to filing additional requests for matching funds.

Once the Commission certifies matching fund submissions, the U.S. Treasury Department forwards payment to the campaigns. Treasury has indicated that payment dates will generally be within 48 hours of certification dates.

To qualify for federal matching funds, candidates must raise \$100,000: \$5,000 in 20 different states in amounts of no more than \$250 from any individual. Candidates must also agree to overall spending limits, limits on spending in each state, and must agree to an extensive campaign audit.

The schedule is as follows:
