## FEC CITES COMMITTEES FOR FAILING TO FILE PRE-ELECTION REPORTS

WASHINGTON -- The Federal Election Commission today cited 28 campaigns for failing to file the required pre-general election report of financial activity.

The reports were due by close of business October 22, covering activity from October 1 through October 14. If sent by certified or registered mail, they should have been postmarked by October 19. Committees were notified of their filing requirements on September 28 and those which failed to file were again notified by mailgram on October 23.

The 1979 Amendments to the Federal Election Campaign Act specify that the Commission publish only those committees authorized by candidates to raise and spend money on their behalf. Therefore, this list does not include other types of political committees which also may have been required to file.

In addition, individuals register as candidates only after they have raised or spent in excess of \$5,000. Unless they reach that threshold, they have no registration or reporting requirement. Therefore, some individuals whose names appear on state ballots may have no filing obligations.

Further Commission action against non-filers or late filers is decided on a case-by-case basis. Federal election law gives the FEC broad authority to initiate enforcement actions, including the imposition of civil penalties (\$5,000 for "any violation" and \$10,000 for any "knowing and willful" violation) for infractions of the law.

The next report due for general election candidates will be the 30-day post election report, due December 3. It will cover activity from October 15 through November 23.

### NOTES

\* Pre-election reports for these committees were received after 5 p.m. October 29, the deadline for publication.

\*\* These committees also failed to file the October Quarterly report. That report was due October 15, covering activity from July 1 through September 30. Committees were notified of their filing requirements on September 21, and again, by mailgram, on October 22.

## MEDIA FACT SHEET: 1992 PRESIDENTIAL MATCHING FUND REQUESTS

\* The following is a compilation of information on submissions (requests) for matching funds made by each of the eleven presidential candidates certified eligible thus far to receive federal matching funds.

\* Do not make the mistake of adding submission amounts together...some requests are resubmissions. Do not compare what has been requested with what has been certified...because of resubmissions and adjustments made by the campaigns and by the FEC.

\* Campaigns may submit requests once per month.

\* Today was the date for the November submission. The FEC will review all submissions and, in late November, will certify to the U.S. Treasury the amount to be paid to each campaign. Treasury will pay those amounts early in December.
