## PRESIDENTIAL CAMPAIGN CITED FOR FAILING TO FILE DISCLOSURE REPORT

WASHINGTON -- The Federal Election Commission has cited one Presidential campaign committee with failure to file the required 30 day Post General Election report.

The following committee did not file the report as of 5 p.m. December 17:

### MARROU FOR PRESIDENT...ANDRE MARROU...LIBERTARIAN

The report was due December 3, and would have detailed financial activity from October 15 through November 23, 1992. If sent by certified or registered mail, the filing should have been postmarked by midnight, December 3.

On December 10, the committee was notified by mailgram that the FEC had not received the report. The campaign had four business days from the date of the mailgram to respond. Failure to file by December 17 resulted in this publication. Prior notification of the required filing was sent to the committee on September 21.

Further Commission action against non-filers and late filers is decided on a case-by-case basis. Federal election law gives the FEC broad authority to initiate enforcement actions, including the imposition of civil penalties (\$5,000 for "any violation" and \$10,000 for any "knowing and willful violation".)
