## FEC SETS HEARING DATES

WASHINGTON -- The Federal Election Commission has set February 15 and March 8 for public hearings on two sets of proposed regulations.

The first hearing will concern regulations governing publicly financed Presidential candidates for the 1996 primary and general elections. The second hearing will be dedicated to regulations governing disclaimers required on campaign communications.

The Notices were published in the Federal Register on October 5-6, 1994, with the comment periods ending December 5, 1994. The comment period was extended to January 9, 1995, for the public funding regulations. Several comments have been received in response to both Notices, as well as requests to testify at public hearings.

Notices of Public Hearings will be published in the Federal Register. Requests to testify at the February 15 hearing on presidential public finance rules must be received by February 1. Requests to testify at the March 8 hearing on disclaimers must be received by February 22. All requests to testify, and any accompanying comments, must be made in writing to Ms. Susan Propper, Assistant General Counsel, 999 E Street, N.W., Washington, D.C. 20463.
