

Electioneering Communications reported in the 2009-2010 Election Cycle

Electioneering Communications

An electioneering communication is any broadcast, cable or satellite communication that fulfills each of the following conditions:

- 1) the communication refers to a clearly identified candidate for federal office;
- 2) the communication is publicly distributed shortly before an election for the office that candidate is seeking; and
- 3) the communication is targeted to the relevant electorate (U.S. House and Senate candidates only).
