FEC Cites Committee for Failure to File 12-Day Pre-Primary Financial Report

WASHINGTON -- The Federal Election Commission cited a campaign committee in Louisiana today for failing to file the 12-Day Pre-Primary Election Report required by the Federal Election Campaign Act of 1971, as amended (the Act).

As of August 18, 2014, the required disclosure report had not been received from:

- McMorris for Senate (LA)

In Advisory Opinion 2000-29, the Commission determined that the last day to qualify for a position on the general election ballot in Louisiana must be considered the primary election date for Louisiana candidates. In the current cycle, this date is August 22, 2014.

The Louisiana pre-primary report was due on August 10, 2014, and should have included financial activity for the period July 1, 2014, through August 2, 2014. If sent by certified or registered mail, the report should have been postmarked by August 7, 2014.

Some individuals and their committees have no obligation to file reports under federal campaign finance law, even though their names may appear on state ballots. If an individual raises or spends \$5,000 or less, he or she is not considered a "candidate" subject to reporting under the Act.

The Commission notified committees involved in the Louisiana election of their potential filing requirements on July 17, 2014. Those committees that did not file on the due date were sent notification on August 11, 2014 that their reports had not been received and that their names would be published if they did not respond within four business days.

Other political committees that support Senate and House candidates in elections, but are not authorized units of a candidate's campaign, are also required to file quarterly reports, unless they report monthly. Those committee names are not published by the FEC.

Further Commission action against non-filers and late filers is decided on a case-by-case basis. Federal law gives the FEC broad authority to initiate enforcement actions, and the FEC has implemented an Administrative Fine program with provisions for assessing monetary penalties.

The Federal Election Commission (FEC) is an independent regulatory agency that administers and enforces federal campaign finance laws. The FEC has jurisdiction over the financing of campaigns for the U.S. House of Representatives, the U.S. Senate, the Presidency and the Vice Presidency. Established in 1975, the FEC is composed of six Commissioners who are nominated by the President and confirmed by the U.S. Senate.
