Exceptions

New Hampshire town and city clerks will accept this application only as a request for their own absentee voter mail-in registration form.

North Dakota does not have voter registration.

Wyoming by law, cannot accept this form unless State law is changed.

Please do **not** use this application if you live outside the United States and its territories and have no home (legal) address in this country, *or* if you are in the military stationed away from home. Use the Federal Postcard Application available to you from military bases, American embassies, or consular offices.

How to Find Out If You Are Eligible to Register to Vote in Your State

Each State has its own laws about who may register and vote. Check the information under your State in the State Instructions.

Note: All States require that you be a United States citizen by birth or naturalization to register to vote in federal and State elections. Federal law makes it illegal to falsely claim U.S. citizenship to register to vote in any federal, State, or local election.

Also Note: You **cannot** be registered to vote in more than one place at a time.

When to Register to Vote

Each State has its own deadline for registering to vote. Check the deadline for your State on the last page of this booklet.

How to Fill Out this Application

Use both the Application Instructions and State Instructions to guide you in filling out the application.

First, read the Application Instructions. These instructions will give you important information that applies to everyone using this application.

Next, find your State under the State Instructions. Use these instructions to fill out Boxes 6, 7, and 8. Also refer to these instructions for information about voter eligibility and any oath required for Box 9.

How to Submit Your Application

Mail your application to the address listed under your State in the State Instructions. Or, deliver the application in person to your local voter registration office.

The following *six States* do not accept voter registration applications completed on xerox weight paper and **will only accept applications that have been completed on specified heavy card stock: Illinois, Massachusetts, Missouri, New Mexico, Ohio, and South Carolina.**

You may obtain a State voter registration form by written request mailed to the address of the State election office listed in the State Instructions.

The remaining States that accept the national form will accept copies of the application printed from the computer image on regular paper stock, signed by the applicant, and mailed in an envelope with the correct postage.

First Time Voters Who Register by Mail

If you are registering to vote for the first time and are mailing this registration application, you may be required to provide proof of identification.

Depending on the specific requirements of your State, you may avoid providing identification at the polls when you vote for the first time by mailing a copy of an identification document together with this application. The list of acceptable documents is included in the State Instructions.

Do not include original documents with this application.

Please read the accompanying State Instructions to determine the voter identification requirements for your State.

If You Were Given this Application in a State Agency or Public Office

If you have been given this application in a State agency or public office, it is your choice to use the application or not.

If you decide to use this application to register to vote, you can fill it out and leave it with the State agency or public office. The application will be submitted for you. Or, you can take it with you to mail to the address listed under your State in the State Instructions. You also may take it with you to deliver in person to your local voter registration office.

Note: The name and location of the State agency or public office where you received the application will remain confidential. It will not appear on your application. Also, if you decide not to use this application to register to vote, that decision will remain confidential. It will not affect the service you receive from the agency or office.

Application Instructions

Before filling out the body of the form, please answer the questions on the top of the form as to whether you are a United States citizen and whether you will be 18 years old on or before election day. If you answer no to either of these questions, you may not use this form to register to vote. However, state specific instructions may provide additional information on eligibility to register to vote prior to age 18.

Citizenship and Age

Place a mark in the box that best answers the questions asking if you are a United States citizen and if you will be 18 years old on or before election day. **Do not** complete the form if you answer "no" to either question.

Box 1 — Name

Put in this box your full name in this order — Last, First, Middle. Do not use nicknames or initials.

Note: If this application is for a change of name, please tell us in **Box A** (on the bottom half of the form) your full name before you changed it.

Box 2 — Home Address

Put in this box your home address (legal address). Do **not** put your mailing address here if it is different from your home address. Do **not** use a post office box or rural route without a box number.

Note: If you were registered before *but* this is the first time you are registering from the address in Box 2, please tell us in **Box B** (on the bottom half of the form) the address where you were registered before. Please give us as much of the address as you can remember.

Also Note: If you live in a rural area but do not have a street address, or if you have no address, please show where you live using the map in **Box C** (at the bottom of the form).

Box 3 — Mailing Address

If you get your mail at an address that is different from the address in Box 2, put your mailing address in this box.

Note: If you have no address in Box 2, you **must** write in Box 3 an address where you can be reached by mail.

Box 4 — Date of Birth

Put in this box your date of birth in this order — Month, Day, Year. *Be careful not to use today's date!*

Box 5 — Telephone Number

Most States ask for your telephone number in case there are questions about your application. However, you do **not** have to fill in this box.

Box 6 — ID Number

Federal law requires that states collect from each registrant an identification number (either a drivers license or social security number). Please refer to your state's specific instructions for item 6 regarding information on what number is acceptable for your

state. If you have neither a drivers license nor a social security number, please indicate this on the form and a number will be assigned to you by your state.

Box 7 — Choice of Party

In some States, you must register with a party if you want to take part in that party's primary election, caucus, or convention. To find out if your State requires this, see item 7 in the instructions under your State.

If you want to register with a party, print in the box the full name of the party of your choice.

If you do **not** want to register with a party, write "no party" or leave the box blank. Do **not** write in the word "independent" if you mean "no party," because this might be confused with the name of a political party in your State.

Note: If you do not register with a party, you can still vote in general elections and nonpartisan (nonparty) primary elections.

Box 8 — Race or Ethnic Group

A few States ask for your race or ethnic group, in order to administer the Federal Voting Rights Act. To find out if your State asks for this information, see item 8 in the instructions under your State. If so, put in Box 8 the choice that best describes you from the list below:

- American Indian or Alaskan Native
- Asian or Pacific Islander
- Black, *not of* Hispanic Origin
- Hispanic
- Multi-racial
- White, *not of* Hispanic Origin

Box 9 — Signature

Review the information in item 9 in the instructions under your State. Before you sign or make your mark, make sure that:

- (1) You meet your State's requirements, and
- (2) You understand **all** of Box 9.

Finally, sign your **full** name or make your mark, and print today's date in this order — Month, Day, Year.

Box 10 — Name of Assistant

If the applicant is unable to sign, put in this box the name, address, and telephone number (optional) of the person who helped the applicant.

- be 18 years old by the next May or November general election
- not have been convicted of a felony, or have had your civil rights restored
- not currently be declared mentally incompetent by a court of law

Voter Identification:

Current Virginia law requires all voters voting at a polling place, or voting absentee in person at the registrar's office, to present one of the following forms of identification:

- Commonwealth of Virginia voter registration card, or
- Social Security card, or
- valid Virginia driver's license, or
- any other identification card issued by a government agency of the Commonwealth, one of its political subdivisions, or the United States, or
- any valid employee identification card containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business.

If a voter is entitled to vote except that he is unable to present one of the forms of identification listed above, he shall be allowed to vote after signing a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter who he claims to be.

In federal elections beginning in 2004, a different set of ID requirements, as mandated by federal law, will apply to any first-time Virginia voter who:

- registered to vote by mail after January 1, 2003, and
- has not previously voted in a federal election in Virginia, and
- registered stating, subject to felony penalties for false statements pursuant to § 24.2-1016, that he does not have a social security number, or provided a social security number which could not be matched to an existing State identification record bearing the same number, name and date of birth in the Virginia Division of Motor Vehicles database.

When voting the first time in a federal election, these voters will need to present at the polls (or send with their mailed ballot a copy of):

- a current and valid photo identification, or
- a copy of a current utility bill, bank statement, government check, paycheck or other government document that shows the name and address of the voter.

Such voters may not sign the state affirmation of identity form in lieu of presenting one of the federally required IDs. Any such voter not presenting the required ID or copy will vote a Conditional Ballot, which will be counted if the electoral board verifies that the voter is entitled to vote in that precinct

The new federal ID requirements do not apply to any voter who (i) is entitled to vote absentee under the Uniformed and Overseas Citizens Absentee Voting Act (42 U.S.C. 1973ff-1 et seq.), or (ii) is provided the right to vote otherwise than in person under section 3(b)(2)(B)(ii) of the Voting Accessibility for the Elderly and Handicapped Act (42 U.S.C. 1973ee-1(b)(2)(B)(ii)), or (iii) is entitled to vote otherwise than in person under any other Federal law.
