Complaint:

I was working for Burnett for Colorado, a congressional race out of Colorado's 3rd Congressional District. I was owed \$27k for past services rendered, per the signed contract, with \$7k paid, and the rest was decided to be given to Burnett for Colorado as a gift to be settled for a smaller amount. This was due to Burnett for Colorado refusing to pay me for my services with a promise to hire me back in the future. I found out that I cannot make a gift of larger than \$6,600 - the campaign contribution for an individual, nor will the campaign report this gift on Q2 2023 filing. The amount gifted and the rest forgiven was a total of \$20k. I informed Burnett for Colorado of my concern with the illegality of such a gift and in return, they refused any correspondence and threatened me with a lawyer and litigation. I do not wish to be held accountable for an illegal campaign contribution or gift so I am filing with the FEC to avoid any issues on my end. Dr. Debby Burnett is the primary contact during this transaction and the candidate.
