I. **Levin Funds** (11 CFR [300.30](#), [300.31](#) and [300.32](#)) (*Guide*, pp. 57-58)

What are Levin Funds? 	■ Available to state/local party committees ONLY ■ Subject to all state campaign finance laws ■ Donors cannot give more than \$10,000 per year ■ No donations from foreign nationals ■ Deposited in separate Levin account or in nonfederal account ■ Used for certain “Federal Election Activity” (FEA)
--	---

A. **What are Levin funds?**

1. **Raised by state, district or local committee**

May only be raised and spent by state, district or local party committees.

2. **Funds must comply with State law**

- a) Must be permissible under the laws of the state in which the party committee raising and spending the funds is organized;
- b) May be solicited from some sources that may not contribute under the Act (e.g., corporations, unions and federal government contractors) so long as the donation is not from foreign nationals or from sources that are impermissible under state law.

3. **\$10,000/year limit**

Limited to \$10,000 in a calendar year from any person (separate from federal limit), including any entity established, maintained, financed or controlled by that person (if state law limits donations to an amount less than \$10,000, then the lower limit applies). 11 CFR [300.31\(d\)\(1\)-\(2\)](#).

4. Separate account not required

Committees that do not have a separate Levin account may keep Levin-eligible funds in the nonfederal account. The committee is not required to report them as Levin funds until it characterizes them as such. When reporting these funds, the date of receipt is the date that the committee received them under state law, even though they are itemized on Schedule L-A in a later reporting period.

5. Limit not shared

Each state, district and local party committee has a separate Levin fund donation limit, and committees are not considered to be affiliated under federal law for the purposes of determining Levin fund donation limits. [11 CFR 300.31\(d\)\(3\)](#). (Affiliation rules may exist under state law, however.)

6. No transfer of Levin funds

Levin funds may not be transferred among state, district or local party committees. Each party committee that uses Levin funds must raise their own Levin funds. [11 CFR 300.34\(b\)](#).

7. Costs of raising Levin funds

Must use only federal funds or Levin funds to pay the direct costs of the fundraising (including expenses for the solicitation of funds and for the planning and administration of actual fundraising activities and programs) if any portion of the funds will be used for FEA. [11 CFR 300.31](#) and [300.32\(a\)\(4\)](#).

B. How are Levin Funds used?

Levin funds are used to pay a portion of certain allocable Federal Election Activity (FEA). FEA are specific activities defined by BCRA, which are covered in the next section.

Reporting Scenario #5: Reporting Receipt of Levin Funds

The Unity State Party Committee determines that it wants to begin raising Levin funds and sets up a separate account for this purpose. To generate Levin funds, the party mails out a solicitation letter on May 1, 2026. The fundraising letter was persuasive and, as a result, the party raised \$18,500 in donations of less than \$200 from various individuals. In addition, big party donor, Billy Shears, made a \$10,000 donation to the party's Levin account on May 10, 2026.

1. How do we report Levin Funds raised?

Reporting Scenario #5 Answer:

1. How do we report the Levin funds raised?

Step 1: Report the itemized donation. Show Schedule L-A to itemize Mr. Shears's donation because it is \$200 or more. **Remember, this threshold for itemization is slightly different from regular itemizations.**

Paying Committee Bills

Option 1: Use Federal Account

Paying Committee Bills

Option 2: Use Allocation Account

B. Paying for allocable expenses (by state, district and local party committees or unregistered organizations)

1. Option 1: Use federal account

Pay total bill from federal account; transfer funds from nonfederal account or Levin funds to federal account to cover nonfederal or Levin share of each allocated expense.

2. Option 2: Establish separate allocation account

- a) Transfer funds from federal and nonfederal accounts to allocation account in amounts equal to federal and nonfederal or Levin shares of each allocable expense.
- b) Allocation accounts are “zero balance” accounts, which contain only those funds transferred-in for the purpose of paying allocable expenses.
- c) Do not transfer funds from allocation account to any other account of same committee, and do not make disbursements for any purpose other than payment of allocable expenses.
- d) Pay all allocable expenses from allocation account for as long as the account is maintained.
- e) Allocation account is considered a federal account subject to all reporting requirements, but should not be registered and reported separately.

3. Payment sequence

- a) **Transfers of nonfederal or Levin funds to federal or allocation account**

For each payment to the vendor, the committee must transfer funds from the nonfederal account or Levin funds in an amount equal to, or less than, the nonfederal or Levin share of the expense.

- b) 70-day window for transfers**
 - (1) Transfers from the nonfederal account or Levin funds must be made within a 70-day time period: no more than 10 days before or 60 after the payment to the vendor.
 - (2) One transfer may cover the nonfederal portion of several shared expenditures, provided the transfer occurs within the 70-day window applicable to all the expenditures covered.
- c) Avoid contribution/loan**

Any transfer that does not meet the requirements for timing is presumed to be a loan or contribution from nonfederal or Levin to federal account, *in violation of the Act*.
- d) May pay more than federal share with federal account**

Party has the option to pay 100% of a shared activity, without reimbursement from the nonfederal account or Levin funds.

IV. Allocable or Not? (*Guide*, pp. 101-102)

A. Expenses that are 100% federal

1. ALL expenses by national party committees

National party committees, under the Act, must use 100% federal funds for all expenses and may not raise nonfederal or Levin funds.

11 CFR [106.7\(a\)](#) and [300.10\(a\)](#).

2. Certain expenses by state, district and local party committees

The following expenses are not allocable and must be paid 100% from the party committee's federal funds:

a) Fundraising for federal account

Party committees that conduct fundraising activities, programs or events where only federal funds are raised must pay the direct costs of such fundraisers only with federal funds.

[11 CFR 300.32\(a\)\(3\)](#).

b) Party exempt activities that refer only to one or more candidates for federal office and do not list a candidate for nonfederal office. [11 CFR 106.7\(e\)\(1\)](#).

Example: A slate card/sample ballot that lists only candidates for federal office and no candidates for nonfederal office.

c) Type 1 and Type 2 FEA: Activities that refer to federal candidates. 11 CFR [300.33\(a\)\(1\)](#) and [\(2\)](#).

FEA voter registration, voter identification, GOTV and generic campaign activity if the activity references a clearly-identified federal candidate.

- d) **Type 3 FEA: Public communications that PASO**
Payments for public communications that refer to a clearly-identified federal candidate and that promote, support, attack or oppose any federal candidate (regardless of whether a nonfederal candidate is mentioned). [11 CFR 300.33\(c\)](#).
- e) **Type 4 FEA: Salaries and wages**
Salaries and wages (including benefits) of employees who spend more than 25% percent of their compensated time per month on activities in connection with federal elections, including FEA. 11 CFR [106.7\(d\)](#) and [\(e\)\(2\)](#).

- B. Expenses allocable between federal and nonfederal accounts ([11 CFR 106.7\(c\)](#))**
1. **Administrative expenses** (11 CFR [106.7\(c\)\(1\)](#) and [\(2\)](#))
- a) Rent
 - b) Utilities, equipment and office supplies
 - c) Salaries and benefits for certain employees
 - (1) Salaries and wages (incl. benefits) for employees who spend 25% or less of their compensated time in a given month on activity in connection with federal elections (including FEA) must be allocated between federal/nonfederal account as an administrative expense. (Previously could be paid 100% nonfederal.)
 - (2) Employees who spend none of their time on FEA or on activity in connection with a federal election in a given month may be paid 100% nonfederal.

2. **Party exempt activity conducted in conjunction with nonfederal activity** ([11 CFR 106.7\(c\)\(3\)](#))
Examples: Slate cards mentioning federal and nonfederal candidates distributed by volunteers (*Note: If exempt activity is also FEA, must be paid for as FEA, not as exempt activity.*)
3. **Costs of generic voter drives** ([11 CFR 106.7\(c\)\(5\)](#))
Examples: Expenses for voter identification, voter registration and GOTV drives and any other activities that urge the general public to register or vote, or that promote or oppose a political party, without promoting or opposing a federal or nonfederal candidate, and that do not qualify as FEA or party exempt activity. [11 CFR 106.6\(b\)\(1\)\(iii\)](#). (*Note: If activity is also FEA, must be paid for as FEA.*)
4. **Direct costs of federal/nonfederal fundraising events or programs** ([11 CFR 106.7\(c\)\(4\)](#))
Example: Direct costs of event or program, including disbursements for solicitation of funds and planning and administration of actual fundraising events where federal and nonfederal funds are raised at the same time.

C. Expenses allocable between federal and Levin funds (*Guide*, pp. 116-117)

1. **Type 1 FEA**
Voter registration 120 days before election.
2. **Type 2 FEA**
Voter identification, generic campaign activity or get-out-the-vote activity that does NOT refer to a clearly-identified federal candidate.

2. General election ballot

Percentage of federal funds is determined by presence or absence of a Senate and/or Presidential candidate on the ballot in the next regularly scheduled federal general election. [11 CFR 300.33\(b\)](#)

- 36% - Both President and Senate
- 28% - President but no Senate
- 21% - Senate but no President

Reporting Scenario #6: Reporting Allocated Administrative Expenses

Background: Your records show that the Unity State Party committee’s rent is \$5,000 per month. The federal account paid the building owner, WDC & Associates, on May 1.

1. How do party committees pay their shared administrative expenses?

Reporting Scenario #6 Answer:

1. How do party committees pay their shared administrative expenses?

Answer: They allocate between their federal and state (nonfederal) accounts, using the fixed percentage method. Wyoming's fixed percentage ratio for the 2025-26 election cycle is 21% federal because in the 2026 general election, Wyoming will have a Senate candidate on the ballot. Our first step is to apply the fixed percentage for allocated administrative expenses.

Report ratios. Show completion of Schedule H1 (Method of Allocation for Administrative, Generic Voter Drive and Exempt Activity Costs) by applying the fixed percentage method.

Step 1: Identify Allocation Ratio

METHOD OF ALLOCATION FOR:

- ALLOCATED FEDERAL AND NONFEDERAL ADMINISTRATIVE, GENERIC VOTER DRIVE AND EXEMPT ACTIVITY COSTS
- ALLOCATED FEDERAL AND LEVIN FUNDS FEDERAL ELECTION ACTIVITY EXPENSES (State, District and Local Party Committees Only)

2. How do we actually handle making the payment, and making sure each account has paid its share?
3. How does the nonfederal account actually pay its share? When should the account make the transfer? How does the account report this transfer?

2. **How do we actually handle making the payment, and making sure each account has paid its share?**

Answer: Report allocated administrative expenses. The entire amount of the allocable expense is paid out of the federal account. However, show reporting on Schedule H4 of the federal and nonfederal share of the rent, based on the allocation ratio. (21% of \$5,000 is \$1,050; \$3,950 is the nonfederal share.)

Answer: On Schedule H3 (Transfers from Nonfederal Accounts), show the transfer-in from the nonfederal account for its share of the rent.

Report using 3-Step Process on H Schedules:

- **Ratio on Schedule H1**
 - Check ONE line in Section A that applies to your committee.
 - In 2025-2026, the ratio is either 21% federal or 15% federal since 2026 is not a presidential election year.
 - Ratio applies to expenses during two-year cycle (e.g., 1/1/2025 – 12/31/2026).
 - File Schedule H1 with the first report each year that discloses allocable disbursements.
- **Payment on Schedule H4**

Voter Identification Expenses

- June 1, 2026
- Cost: \$50,000

Reporting Scenario #7: Allocated FEA

Background: The Unity State Party has raised both Levin funds and federal funds. Now, it intends to use them to pay for an upcoming voter ID drive to get ready for the busy general election season. This activity will begin on June 1 and will cost \$50,000.

1. What is the first thing we need to do for an allocated activity, regardless of whether it is administrative, FEA or fundraising?

Reporting Scenario #7 Answer:

1. What is the first thing we need to do for an allocated activity, regardless of whether it is administrative, FEA or fundraising?

Answer: Determine the ratio. Show Schedule H1 to disclose the fixed percentage ratio, which also applies to allocated FEA. In Wyoming, as we already know, the fixed federal percentage is 21% for the 2025-2026 election cycle.

Allocated Federal Election Activity	July Monthly (M7) Report: Schedule H1

2. Now that we know which percentage to use, what do we do next?

Answer: Report allocated expense. The entire amount of the allocable expense is paid out of the federal account. Show reporting, however, on Schedule H6 (Disbursements of Federal and Levin Funds for Allocated Federal Election Activity) of the federal and Levin shares of the Voter ID file cost, based on the allocation ratio (21% of the \$50,000 is \$10,500 (federal share) and 79% of the \$50,000 is \$39,500 (Levin share)).

Answer: Report transfer-in of Levin funds. Use Schedule H5 (Transfers of Levin Funds for Allocated FEA) to show the receipt of the transfer-in of Levin funds for the Levin share of the voter ID activity. Keep in mind that this transfer must be made within a 70-day window: up to 10 days before the payment, or up to 60 days after. 4. Do we have anything else to account for?

Answer: Yes. Report disbursement of Levin funds. Use Schedule L-B (Itemized Disbursements of Levin Funds) to itemize the transfer-out of Levin funds being disbursed to the federal account (this amount and category of FEA should match your Schedule H5 transaction). Carry totals from Schedule L-B to the appropriate line on Schedule L. In this case, the total must be reported on Line 4(b) of Schedule L.

Allocated FEA Expenses

Tricky Issues: Reporting Allocated Federal Election Activity (FEA)

- **Allocate according to fixed percentage method calculated on Schedule H1**
 - Schedule H1 has to be filed with the first report each calendar year that discloses allocable disbursements.
 - Do not send in two H1 schedules in a calendar year unless a special election occurs that alters the ratio (e.g., Senate special election in non-election year).
- **Report payments on Schedule H6**
 - The payments for the expenses must come from either the federal account or the allocation account.
- **Report transfers-in on Schedule H5**
 - The account containing Levin funds must transfer the Levin share during the period beginning 10 days before the payment is made, and ending 60 days after.
 - Schedule H5 is similar to a recordkeeping approach; activities are grouped by the date of the transfers. **(Corresponds to Schedule L-B)**
- **The L Schedules**
 - The L Schedules are memo schedules and do not affect totals on the Summary or Detailed Summary Pages of Receipts and Disbursements for FEC Form 3X.
 - The transfer out of Levin funds is also itemized on Schedule L-B. **(Corresponds to Schedule H5)**

Funds Received Method

$$\frac{\text{Federal Receipts}}{\text{Total Receipts}} = \text{Funds Received}$$

B. Funds received allocation method (*Guide*, pp. 102-103)

1. Use “funds received” method to allocate:

- a) **Direct costs of a federal/nonfederal party fundraiser**
Examples: Fundraising events that raise funds for both the federal and nonfederal accounts such as an annual dinner.
- b) **Direct fundraising support for candidates**
Example: When funds are raised for federal and nonfederal candidates at the same event, such as a fundraiser on behalf of a House candidate and a gubernatorial candidate.

2. Paying fundraising costs

- a) State and local party committees may allocate the direct costs of each fundraising program or event in which the committee collects both federal and nonfederal funds.
- b) Costs are allocated according to the ratio of the federal funds received to total receipts for the fundraising event:

$$\frac{\text{Federal receipts for program or event}}{\text{Total receipts for program or event}}$$

Allocation: Funds Received

- c) Estimate ratio prior to the fundraising event, based on a reasonable prediction of revenue.
- d) If actual proportion of funds received is different than anticipated, adjust ratio within 60 days after event.
- e) Transfer funds between accounts (either way) to reflect adjusted ratio within 60 days after event.
- f) Further transfers from the federal to the nonfederal account may be necessary, should additional federal funds be received after the 60-day period.
- g) Transfers from nonfederal to federal no longer permissible after 60 days.
- h) In case of fundraising for a federal candidate, fundraising costs incurred represent in-kind contribution to federal candidate or coordinated party expenditure.

Reporting Scenario #8: Reporting Fundraising Expenses, Including Ratio Adjustments

Task 1: Determining Ratio for Allocating Fundraising Expenses

Background: At the beginning of each year, the Unity State Party holds a fundraiser called the Spring Gala. Last year, they raised \$200,000: \$60,000 for their federal account and \$140,000 for their nonfederal account. This year the party hopes to raise approximately the same amount of money.

The fundraiser will be held on May 15. For reporting purposes, the party assigned the name “Spring Gala” to the event.

- 1. What is the first thing we need to do? How do state party committees allocate fundraising expenses between their federal and nonfederal accounts?**

Reporting Scenario #8 Answer:

1. What is the first thing we need to do? How do state party committees allocate fundraising expenses between their federal and nonfederal accounts?

Answer: Step 1: Determine and report ratio

State and local party committees allocate the direct costs of each fundraising program or event in which the committee collects both federal and nonfederal funds. The costs are allocated according to the **funds received ratio**: the ratio of the federal funds received to total receipts for the fundraising event. (In this case, 60,000 federal receipts ÷ \$200,000 total receipts = 30% federal.)

Show the calculation of the allocation formula, based on the funds received ratio (using last year's figures), and report the ratio on Schedule H2 (Allocation Ratios for Fundraising and Direct Candidate Support Activities). The ratio is 30% federal, 70% nonfederal.

2. **Since we have determined the ratio for this amount, which will allow us to determine each account's share of expenses, how do we actually disclose the payments to the consultant?**
3. **What do we have to do next?**

2. Since we have determined the ratio for this amount, which will allow us to determine each account's share of expenses, how do we actually disclose the payments to the consultant?

Answer: Report allocated federal/nonfederal share. Show on Schedule H4 the federal and nonfederal shares of the disbursement to the consultant, based on the allocation formula. (30% federal share = \$3,000; 70% nonfederal share = \$7,000) Remember, the entire amount is still paid out of the federal account, even though Schedule H4 discloses each account's share.

Task 2: Determining Ratio Adjustments for Allocated Fundraising Expenses

Background: If you recall, the event was held on May 15. So, 56 days after the event, on July 11, the committee reviews the actual funds received, to determine whether the original ratio reflects the actual funds received by the federal and nonfederal accounts.

The committee determines that they received a total of \$250,000; \$100,000 for the federal account and \$150,000 for the nonfederal account. They spent a total of \$50,000 on the event.

5. **What should the committee do at this point? How long does the committee have to re-estimate and adjust their fundraising ratio?**

6. **How do we calculate the amount to transfer from the federal account to the nonfederal account?**

Background: The federal account transfers its share of adjusted expenses on July 11.

7. **How do we report that transfer?**

5. **What should the committee do at this point? How long does the committee have to re-estimate and adjust their fundraising ratio?**

Answer: The committee has up to 60 days after an event or after the date of a program to adjust the ratio, based on actual funds received, and show the new ratio (40% federal / 60% nonfederal) on Schedule H2.

- When the adjustment results in a higher federal percentage than originally estimated (as in this case), transfers must be made from the federal account to the nonfederal account for as long as federal funds are received.
- On the other hand, when the federal percentage becomes lower than originally estimated, transfers from the nonfederal account to the federal account can only be made within 60 days after an event.

CHECK IF THE RATIO IS: ☐ New ☒ Revised ☐ Same as Previously Reported			

6. **How do we calculate the amount to transfer from the federal account to the nonfederal account?**

Answer: Apply new federal percentage (40% federal) to total expenditures paid for this event (\$50,000). Since the federal share has increased, you will need to calculate the amount that must be transferred from the federal account to the nonfederal account.

- The federal account's percentage under the new ratio is 40%
- The federal account's percentage under the old ratio was 30%
- This is a 10% difference. So the federal account **owes \$5,000 to the nonfederal account** ($\$50,000 \times 10\% = \$5,000$)

OR

Another way you can determine whether this amount is correct is to calculate the federal account's share using both ratios and transfer the difference. In this case,

- The federal account's share under the new ratio is **\$20,000**. ($\$50,000 \times 40\% = \$20,000$)
- The federal account's share under the old ratio is **\$15,000**. ($\$50,000 \times 30\% = \$15,000$)
- So, the federal account **owes \$5,000 to the nonfederal account** ($\$20,000 - \$15,000 = \$5,000$)

Background: The federal account transfers its share of adjusted expenses on July 11.

7. How do we report that transfer?

Continue to monitor receipts. Should the committee continue to receive additional federal funds relating to this event, the committee would be required to re-estimate the allocation ratio, adjust the ratio on Schedule H2 and transfer federal funds to the nonfederal account, as appropriate.

Tricky Issues: Reporting Allocated Fundraising Expenses

- **Ratio on Schedule H2**
 - Use Funds Received ratio based on estimate.
 - Schedule H2 must be filed with each report that discloses a disbursement for fundraising or direct candidate support activity on Schedule H4.
- **Payment on Schedule H4**
 - Include specific purpose.
 - Check appropriate category (fundraising).
 - Include unique code or event identifier; make sure it is the same as disclosed on Schedule H2.

- **Transfer-in of nonfederal share on Schedule H3**
 - Use appropriate line for type of expense.
 - Make sure totals listed for each category match up to bottom of Schedule H3.
 - Make sure unique code or event identifier is the same as disclosed on Schedule H2.
- **Debts**
 - Include contracted-for services.
 - Report on Schedule D.
- **After the event or program:**
 - Continue to monitor receipts and adjust ratio to reflect actual funds received.
 - Show new ratio (check revised ratio box and provide date of event).
 - Make corrective transfers within 60 days (or afterwards if more federal funds are received).
 - Report such transfers on Schedule H4 as 100% federal disbursement if federal share increases; or report transfers on Schedule H3 within 60 days if nonfederal share increases.

VI. Joint Fundraising ([11 CFR 102.17](#)) (*Guide*, pp. 131-136)

Joint Fundraising

Political committee raising funds with one or more other committees or organizations

- Create or select a fundraising representative
- Agree to an allocation formula
- Sign a written agreement
- Establish separate account
- Notify public of allocation formula in solicitations

A. What is joint fundraising?

Joint fundraising is fundraising conducted jointly by a political committee and one or more other political committees or unregistered organizations.

B. Who must observe joint fundraising rules?

The participants in joint fundraising activity may include:

1. Party committees;
 2. Party organizations not registered as political committees;
 3. Federal and nonfederal candidate committees;
 4. Nonparty political committees (e.g., federal PACs); and
 5. Unregistered nonparty organizations (e.g., nonfederal PACs).
- 11 CFR [102.17\(a\)\(1\)\(i\)](#) and [\(a\)\(2\)](#).

C. Overview of rules

All participants engaging in a joint fundraising effort must

1. Create or select a political committee to act as the fundraising representative;
2. Agree to a formula for allocating proceeds and expenses;
3. Sign a written agreement naming the fundraising representative and stating the allocation formula;
4. Establish a separate account for joint fundraising receipts and disbursements; and
5. Notify the public of the allocation formula and certain other information when soliciting contributions. [11 CFR 102.17\(a\)-\(c\)](#).

Scenario #9: Joint Fundraising Activity

Background: In July 2026, the Unity State Party Committee hosts a joint fundraiser called “Rigby Victory 2026” to benefit the party and Senator Eleanor Rigby. The Senator and the party committee agree to split the proceeds 50-50. To prepare for the event, the newly-created Rigby Victory 2026 joint fundraising committee contracts with Chic Cafe for \$20,000 worth of catering a week before the event. Molly Jones purchases two \$2,000 tickets to attend. Her friend, Dennis O’Bell, decides to join her and buys two \$1,000 tickets. Overall, ticket sales bring in \$100,000 in individual contributions.

1. What are the first steps both committees must take?
2. Is Molly’s contribution permissible?
3. How would the joint fundraising participants report these receipts?

Scenario #9 Answers:

1. What are the first steps both committees must take?

Answer:

- Name and establish a joint fundraising representative.
- Set up a separate account for both receipts and expenditures for the fundraiser.
- As joint fundraising participants, the party and the candidate committee must amend their Statements of Organization (FEC Form 1) to list the fundraising representative as such (“Joint Fundraising Representative”) on Line 6 and the bank used for the new account(s) as a depository (if necessary).
- The joint fundraising representative (Rigby Victory 2026 joint fundraising committee) must register (or amend its FEC Form 1) and also include the names of all participating committees as such (“Joint Fundraising Participants”) on Line 5.

2. Is Molly's contribution permissible? Why or why not?

Answer: Conceivably, yes, provided the \$2,000 per committee she contributed by buying the tickets didn't max her out to either participant.

3. How would the joint fundraising participant committees report these receipts?

Answer: Show itemized transfer in of net proceeds on Schedule A/Line 12 (\$40,000, for sake of argument). Then show itemized gross **memo** entries on Schedule A:

- Molly Jones: \$2,000
- Dennis O'Bell: \$1,000

Tricky Issues: Joint Fundraising Activity

- Joint fundraising representative must be registered with Commission (either as new committee or if existing committee, must set up a separate depository account) if the participants are establishing a joint fundraising effort as described in Commission regulations.
- Contributor may contribute an amount to the joint fundraising effort that represents the total amount the contributor could contribute to all participants under the applicable contribution limits.
- Joint fundraising representative must first pay costs of fundraiser before transferring net proceeds to participants.
- Memo entries itemizing contributors must clearly cross-reference the fundraising representative transfer.
- If memo entries are provided, make sure there is a corresponding transfer. Vice versa, if a transfer is provided, make sure there are corresponding memo entries.
