SUBJECT: REASON TO BELIEVE RECOMMENDATION – 2008 APRIL
MONTHLY REPORT FOR THE ADMINISTRATIVE FINE
PROGRAM

Attached is the name of a political committee and its treasurer who failed to file the 2008 April Monthly Report in accordance with 2 U.S.C. 434(a). The April Monthly Report was due on April 20, 2008.¹

In accordance with the schedule of civil money penalties for reports at 11 CFR 111.43, the committee should be assessed the civil money penalty highlighted on the attached circulation report.

Recommendation

1. Find reason to believe that the political committee and its treasurer listed on the RTB Circulation Report violated 2 U.S.C. 434(a) and make a preliminary determination that the civil money penalty would be the amount indicated on the RTB Circulation Report.
2. Send the appropriate letter.

¹ The committee is required to file monthly in 2008 per 11 CFR §104.5(b)(1). However, instead of filing monthly reports, the committee filed an April Quarterly Report on 6/10/08 covering 1/1/08-3/31/08. The estimated level of activity for the fine is based on the 3/1/08-3/31/08 activity disclosed in the report.

Dear Mike Gravel:

The Federal Election Campaign Act of 1971, as amended ("the Act"), requires that your committee file an April Monthly Report of Receipts and Disbursements covering the period through March 31st, 2008. This report shall be filed no later than April 20th, 2008. 2 U.S.C. 434(a). Records at the Federal Election Commission ("FEC") indicate that this report was not filed within thirty (30) days of the due date. You should file this report if you have not already done so.

The Act was further amended in 1999 to permit the FEC to impose civil money penalties for violations of the reporting requirements of 2 U.S.C. 434(a). 2 U.S.C. 437g(a)(4). On 9/18/2008, the FEC found that there is reason to believe ("RTB") that Mike Gravel for President 2008 and you, as treasurer, violated 2 U.S.C. 434(a) by failing to file timely this report on or before April 20th, 2008. Based on the FEC's schedules of civil money penalties at 11 C.F.R. 111.43, the amount of your civil money penalty calculated at the RTB stage is \$250. It is due by 10/28/2008 and is based on these factors:

Election Sensitivity of Report: Not Election Sensitive
Level of Activity: \$4,555
Number of Days Late: Not Filed
Number of Previous Civil Money Penalties Assessed: 0

To Pay the Calculated Civil Money Penalty

To pay the calculated civil money penalty, send the enclosed remittance and your payment to the FEC at the address on page 4. Upon receipt of your payment, the FEC will send you a final determination letter.

To Challenge the RTB Finding and/or Calculated Civil Money Penalty

To challenge the RTB finding and/or calculated civil money penalty, you must submit a written response, including the AF# found on page one, to the FEC's Office of Administrative Review, 999 E Street, NW, Washington, DC 20463. Your response must be received by

29092641065

10/28/2008. Your written response must include the reason(s) why you are challenging the RTB finding and/or calculated civil money penalty. The FEC will only consider challenges that are based on a factual error in the RTB finding; miscalculation of the calculated civil money penalty by the FEC; or your demonstrated use of best efforts to file in a timely manner when prevented from doing so by reasonably unforeseen circumstances that were beyond your control. In order for a challenge to be considered on the basis of best efforts, you must have filed the required report no later than 24 hours after the end of these reasonably unforeseen circumstances. Examples of circumstances that will be considered reasonably unforeseen and beyond your control include, but are not limited to, a failure of Commission computers or Commission-provided software despite you seeking technical assistance from Commission personnel and resources; a widespread disruption of information transmissions over the Internet that is not caused by the Commission's or your computer systems or Internet service provider; and severe weather or other disaster-related incident. **Examples of circumstances that will not be considered reasonably unforeseen and beyond your control include, but are not limited to, negligence; delays caused by vendors or contractors; treasurer and staff illness, inexperience or unavailability; committee computer, software, or internet service provider failures; failure to know filing dates; and failure to use filing software properly.** Your response must include the factual basis supporting the reason(s) and supporting documentation. The FEC strongly encourages that documents be submitted in the form of affidavits or declarations. 11 C.F.R. 111.35.

Your failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver of your right to present such argument in a petition to the district court under 2 U.S.C. 437g. 11 C.F.R. 111.38.

If you intend to be represented by counsel, please advise the Office of Administrative Review. You should provide, in writing, the name, address and telephone number of your counsel and authorize counsel to receive notifications and communications relating to this challenge and imposition of the calculated civil money penalty.

If You Do Not Pay the Calculated Civil Money Penalty or Submit a Challenge

If you do not pay the calculated civil money penalty or submit a written response, the FEC will assume that the preceding factual allegations are true and make a final determination that Mike Gravel for President 2008 and you, as treasurer, violated 2 U.S.C. 434(a) and assess a civil money penalty.

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA") as amended by the Debt Collection Improvement Act of 1996, 31 U.S.C. 3701 et seq. The FEC may take any and all appropriate action authorized and required by the DCA, as amended, including transfer to the U.S. Department of the Treasury for collection. 11 C.F.R. 111.45.

This matter was generated based on information ascertained by the FEC in the normal course of carrying out its supervisory responsibilities. 2 U.S.C. 437g(a)(2). It will remain confidential in accordance with 2 U.S.C. 437g(a)(4)(B) and 437g(a)(12)(A) until it is placed on

20092641066

the public record in accordance with 11 C.F.R. 111.42, unless you notify the FEC in writing that you wish the matter to be made public.

Additional information on the FEC's administrative fine program, including the final regulations, is located at the FEC's website at www.FEC.gov. If you have questions regarding the payment of the calculated civil money penalty, please contact Rhiannon Ryan in the Reports Analysis Division at our toll free number (800) 424-9530 (at the prompt press 5) or (202) 694-1130. **STATEMENT OF REASONABLE CAUSE
AND REQUEST FOR ABATEMENT OF LATE FILING PENALTIES.**

APRIL 20 MONTHLY REPORT

This Statement is submitted in support to request for wavier of penalties impose by 2 U.S.C. 434 (a) by failing to file timely the above report. The reason for requesting for the waiver is based on the existence of extraordinary circumstances that were beyond the control of the respondent and that were for duration of at least 48 hours and that prevented the respondent from filing the report in a timely manner.

Mike Gravel for President 2008 filed a return on June 10, 2008, as part of the April 15 Quarterly Receipts and Disbursements Report. We did as permission from *FEC* campaign finance analyst, *Lauren* Lien to combine the January, February March activity into a Quarterly Report. Again during this period we continue to experienced hundreds of small donations coming into the campaign using stolen credit card numbers over the course of several days from a group of computers located in Eastern Europe, with payments being made via hundreds of different credit card numbers. In this regard we experienced hundreds of charge backs from the processing banks and have to manually verify and reconciled all our donations manually to avoid reporting to the *FEC* these illegitimate donations. We called your office to notify them of this matter.

Accordingly, based on the foregoing the taxpayer requests waiver of the penalties imposed by 2 U.S.C. 434 (a)

The foregoing statement is made under penalties of perjury ands is true, correct and complete to the best of the undersigned officer's knowledge, information and belief.

Sincerely,

Senator Mike Gravel

³Committees not required to file on a monthly schedule during 2008, and whose candidates are not participating in the general election, need not file the Pre- and Post-General Election Reports. These committees, however, must continue to file on a quarterly basis.

29092641075

SUPPLEMENTAL FILING INFORMATION

PLEASE NOTE: The Commission provides reminders of upcoming filing dates as a courtesy to help committees comply with the filing deadlines set forth in the Act and Commission regulations. Committee treasurers must comply with all applicable filing deadlines established by law, and the lack of prior notice does not constitute an excuse for failing to comply with any filing deadline.

WHO MUST FILE

All committees authorized by Presidential candidates⁴ must file either Quarterly or Monthly reports in 2008. A committee must file monthly if actual or anticipated contributions or expenditures total more than \$100,000 within the 2008 presidential election cycle. Before a committee can stop filing with the FEC, it must file a termination report with the Commission. Committees must continue to file reports until the Commission notifies them in writing that their termination report has been accepted.

METHODS OF FILING REPORTS

Electronic Filing

Reports filed electronically must be received and validated by the Commission by 11:59 p.m. Eastern Time on the filing deadline. For additional information, call the Electronic Filing Office at (800) 424-9530 or (202) 694-1642 or visit our website at www.fec.gov/elecfil/electron.shtml.

Presidential candidates who accept public funding are required to file their reports and statements electronically. Under the Commission's mandatory electronic filing regulations, other Presidential candidates that receive contributions or make expenditures in excess of \$50,000 in a calendar year, or have reason to expect to do so, must file all reports and statements with the FEC electronically. Other Presidential committees may voluntarily file electronically; however, any entity that files electronically, whether required to do so or not, must comply with the electronic filing rules.

Registered & Certified Mail

Reports sent by Registered or Certified Mail must be postmarked on or before the mailing deadline to be considered timely filed. A committee sending its reports by Certified Mail should keep its certified mailing receipt with the U.S. Postal Service (USPS) postmark as proof of filing because the USPS does not keep complete records of items sent by Certified Mail. A committee sending its report by Registered Mail should keep its proof of mailing. Please note that a Certificate of Mailing from the USPS is not sufficient to prove that a report is timely filed using Registered, Certified or Overnight Mail.

Overnight Mail

Reports filed via overnight mail will be considered timely filed if the report is received by the delivery service on or before the mailing deadline. "Overnight mail" includes Priority or Express Mail having a delivery confirmation, or an overnight delivery service with which the report is scheduled for next business day delivery and is recorded in the service's on-line tracking system.

Forms are available for downloading and printing at the FEC's website at www.fec.gov/info/forms.shtml.

⁴Generally, an individual becomes a candidate for Federal office (and thus triggers registration and reporting obligations) when his or her campaign exceeds \$5,000 in either contributions received or expenditures made. If the campaign has not exceeded the \$5,000 threshold, it is not required to file reports. See 11 CFR 100.3(a).

Other Means of Filing

Reports filed by any other means—including first class mail and courier—must be received by the Commission before the close of business on the last business day before the filing deadline.

48 HOUR NOTICES ON CONTRIBUTIONS⁵

Notices are required if the committee receives any contribution (including in-kind gifts or advances of goods or services; Loans from the candidate or other non-bank sources; and guarantees or endorsements of bank loans to the candidate or committee) of \$1,000 or more per source, during the period less than 20 days but more than 48 hours before any election in which the candidate is running.

The notices, which may be filed using Form 6, must reach the appropriate federal and/or state filing office(s) within 48 hours of the committee's receipt of the contribution(s). **Campaign committees that file electronically MUST submit their 48-hour notices electronically.** For more information, visit the FEC web site at www.fec.gov/electfil/online.shtml. Candidates faxing 48-hour notices should transmit them to the FEC at (202) 219-0174. Paper forms are available at the website at www.fec.gov/info/forms.shtml.

COMPLIANCE

Treasurer Responsibility. Treasurers of political committees are responsible for both the timeliness and the accuracy of all reports. They may be subject to monetary penalties if reports are inaccurate or are not filed on time. For additional information, see the Commission's *Statement of Policy Regarding Treasurers Subject to Enforcement Proceedings* on the web site at www.fec.gov/law/policy/2004/notice2004-20.pdf

Administrative Fine Program. Under the Administrative Fine Program, political committees and their treasurers who fail to file their reports on time may be subject to civil money penalties up to \$16,000 (or more for repeat late- and non-filers).⁶ For additional information, visit the FEC website at www.fec.gov/af/af.shtml.

Report Format. In addition, political committees that file illegible reports or use non-FEC forms (except for FEC-approved, computer-generated forms) will be required to refile their reports.

Electronic Filers Must File Electronically. Electronic filers who instead file on paper, or who submit an electronic report (either by direct transmission, 3.5" diskette or CD) that does not pass the validation program by the 11:59 p.m. Eastern Time on the filing deadline, will be considered non-filers and may be subject to enforcement actions (including administrative fines).

CHANGE IN FILING FREQUENCY

Presidential Committees able to change their reporting schedule (for example, from monthly to quarterly) and that wish to do must notify the Commission in writing. Electronic filers must file this request electronically. All reports filed after such notification must follow the new filing schedule.

⁵Presidential primary campaigns filing monthly need not file 48 Hour Notices.

⁶Penalties for late- or non-filing of 48-hour notices are based on the amount of contributions not timely disclosed. As a result, these penalties may exceed \$16,000, even for first-time violations.

**REVIEWING OFFICER RECOMMENDATION
OFFICE OF ADMINISTRATIVE REVIEW ("OAR")**

AF# 1821 – Mike Gravel for President 2008 and Mike Gravel, as Treasurer (C00423202)

On September 18, 2008, the Commission found reason to believe ("RTB") that the respondents violated 2 U.S.C. § 434(a) for failing to file the 2008 April Monthly Report and made a preliminary determination that the civil money penalty was \$250 based on the schedule of penalties at 11 C.F.R. § 111.43. They were notified by the Reports Analysis Division ("RAD") on September 19, 2008 of the Commission's RTB finding and civil money penalty.

Respondents' Response

On October 28, 2008, the Commission received the written response ("challenge") from the Treasurer who asks that the fine be waived since extraordinary circumstances that were beyond their control and lasted at least 48 hours prevented them from filing the report on time. He states that they continued to have hundreds of small donations come into the campaign using stolen credit card numbers from computers located in Eastern Europe. These payments were made via hundreds of different credit card numbers. They dealt with numerous charge backs from the processing banks and had to manually verify and reconcile all of the donations to avoid reporting the illegitimate donations on the report. They also notified the Commission of this matter. In addition, he says that they asked the Analyst's permission to include the March activity in the April Quarterly Report. Included is a copy of the first page of the RTB letter with handwritten notes.

Analysis

The 2008 April Quarterly Report, which includes the April Monthly reporting period, was filed on June 10, 2008. It was filed 51 days after the filing date for the April Monthly Report.

The Federal Election Campaign Act ("Act") states that the treasurer of a principal campaign committee shall file monthly reports no later than the 20th day after the last day of each month. 2 U.S.C. § 434(a)(3)(A)(i) and 11 C.F.R. § 104.5(b)(1). Reports electronically filed must be received and validated at or before 11:59 p.m., Eastern Standard/Daylight Time on April 20 to be timely filed. 11 C.F.R. §§ 100.19(c) and 104.5(e). The treasurer shall be personally responsible for the timely and complete filing of reports and the accuracy of the information contained in them. 11 C.F.R. § 104.14(d). The respondents' written response must detail the factual basis supporting its challenge and include supporting documentation. 11 C.F.R. § 111.35(e). The Reviewing Officer may request supplemental information from the respondents and is entitled to draw an adverse inference from the respondents' failure to submit such information. 11 C.F.R. § 111.36(b).

Because the challenge raised the possibility that underlying criminal activity prevented them from filing on time, OAR sent a supplemental request to the respondents on November 21, 2008, and asked that they provide relevant documentation to support their claims and their

29092641000

attempts to resolve the matter. Additionally, the request asked when did they become aware of the alleged misconduct, when was the issue resolved, when did they notify the Commission, and whom did they contact about the alleged misconduct.

The Treasurer's response, received on December 12, 2008, contains the following five Exhibits.

- Exhibits 1 and 2 are affidavits from the Treasurer (labeled for AF# 1826) and the Campaign Accountant. They state that the problems began in the fourth quarter of 2007 and continued through the second quarter of 2008. They called the Commission, but do not have a record of whom they spoke to about this matter.
- Exhibit 3 is six pages of screen shots listing 138 emails from the credit card processing merchant, Authorize.Net. The subject for all emails is "Suspicious Transaction ..." and they are dated from October 30 through November 14, 2007.
- Exhibit 4 includes two emails from emailer@authorize.net. The first is dated October 29, 2007 and is titled "Important: Payment Gateway Account - 30 Minute Suspension;" the second is dated October 30, 2007 and is titled "Important: Payment Gateway Account - 60 Minute Suspension." They explain that the Committee's ability to process transactions has been blocked for 30 or 60 minutes due to potentially suspicious or unusually high volume transaction activity. The emails advise them to log into their merchant interface account to check for suspicious activity. If the donations are fraudulent, they should immediately void the transactions. If fraudulent transactions have already been processed, it advises them to issue credits to avoid chargebacks from the cardholders. It also advises them to inform their merchant bank of any suspicious transactions.
- Exhibit 5 is an email dated November 5, 2007 from the Committee's Chief of Staff, Chris Petherick, to other apparent staff members. Mr. Petherick says that they are "getting hit" with numerous bizarre transactions, which he suspects are from Russia or Eastern Europe, and directs staff to track the IP addresses to see where the donations originate so they can give it to the bank to investigate.

Since the affidavit included at Exhibit 1 is for another challenge and the list of screen shots included at Exhibit 3 appears to omit six pages (Pages 7 - 12), the Reviewing Analyst contacted the Treasurer on February 13, 2009. The Treasurer gave her permission to include the affidavit for AF# 1821 and the missing pages of Exhibit 3, all of which were originally submitted with the response for AF# 1832. This information is included at Attachment 3.

The only evidence they provide to support their contention that these contributions were made using stolen credit card numbers originating from computers in Eastern Europe is the Chief of Staff's email. With respect to their contacts with the Commission about this activity, they have no record of when they contacted the Commission or whom they spoke to about the suspicious transactions. There is no evidence from RAD's telecoms (written records of telephone conversations) that they contacted anyone about these transactions during the period when they occurred. RAD's telecoms show that they had several conversations with them in May and July 2008 about the Committee's filing obligations. The only time they mentioned any suspicious activity was during the July 16 phone call when the Treasurer told the Analyst that they cut off their bank account because it was "hit by some people" and then re-opened it.

The Treasurer asserts that extraordinary circumstances, contributions made using stolen credit cards numbers which originated from Eastern European computers and required that they

29092641081

manually verify and reconcile these receipts, prevented the timely filing of the report. The extraordinary circumstances defense has been supplanted with the best efforts defense, under which the Commission may decide that no violation occurred because the respondents used their best efforts to file on time. 11 C.F.R. § 111.35(b)(3) and (c).

The best efforts defense is a two-part test. The first part consists of the respondents demonstrating that they were prevented from filing on time by reasonably unforeseen circumstances that were beyond their control. With respect to this defense, the Commission states in its Explanation and Justification that the respondent bears the burden of showing that the reasonably unforeseen circumstances in fact prevented the timely and proper filing of the required report. The Commission has decided that this rule requires a strict causal relationship between the circumstances described in the challenge and the respondent's inability to timely file the report. For the second part of the test, the respondents must show that the report was properly filed within 24 hours after the resolution of the circumstances that prevented the report's timely filing.

Treasurers have several recordkeeping and reporting responsibilities. In addition to filing accurate and complete reports on time, the regulations at 11 C.F.R. § 103.3 explain a treasurer's responsibilities for handling the receipt and deposit of contributions and what to do if a questionable contribution is received. Within 10 days of a contribution's receipt, a treasurer must either return the contribution to the donor without depositing it or deposit the contribution. If the deposited contribution appears to be illegal, the Treasurer shall make and retain a written record which notes why it appears illegal, include a statement in the report noting its questionable legality, refund it within 30 days of its receipt if it can not be determined to be legal, and disclose the refund on the report covering the period when the refund was made.

According to the respondents' challenge and supplemental response with its supporting documentation, their credit card processing company notified them via email of suspicious or unusually high volume transaction activity. This activity started in the fourth quarter of 2007 and continued through the second quarter of 2008. Each time they received an email, their ability to process contributions for the next 30 (or 60) minutes was suspended by Authorize.Net. Authorize.Net recommended in its email that they log into their merchant interface account, determine if the transactions are fraudulent, void them immediately (or issue a credit to avoid a chargeback from the cardholder if the transaction had settled), and notify their bank. At the end of the 30 (or 60) minute period, their processing ability was restored and a second email sent to notify them of this. They experienced charge backs from the processing banks for hundreds of these transactions, and had to manually verify and reconcile all the transactions to avoid reporting any illegitimate contributions.

Once the respondents were notified by Authorize.Net of a suspicious contribution, the Commission's regulations gave the respondents a 10 day window to make a decision: return the contribution to the donor without depositing it or deposit the contribution. If they returned it within the 10 day window without depositing it (Authorize.Net advised them to immediately void it) as allowed by 11 C.F.R. § 103.3(a), they had no reporting obligation. Therefore, it would have had no impact on their ability to file the April Monthly Report on time.

If they, instead, deposited the contribution within the 10 day window, they were required to disclose it on the April Monthly Report just as they would any other contribution received during the April Monthly reporting period. This is true regardless of the research they had to do to verify the contribution's legality.

29092641082

Just as they were required to report the contribution's receipt, they were required to report a refund they made if they could not verify the contribution's legality. If they refunded a contribution by March 31, they were also required to disclose the refund on the April Monthly Report. If the contribution was refunded after March 31, they were required to disclose the refund on a subsequent report covering 2008 activity.

In this case, the respondents said that they had to verify and reconcile these suspicious contributions. They provided documentation showing that they received 4 emails about suspicious transactions in March. The emails were dated between March 1 and 12; thus, they would have completed their research by the April 20 due date.

A review of their 2008 reports discloses no contribution refunds. It appears, therefore, that the respondents returned the suspicious contributions within the 10 day window without depositing them and did not disclose them since they were not required to do so; or they deposited the suspicious contributions, verified that the contributions were legal and kept them, and disclosed them on the April Quarterly Report (they were required to disclose them on an April Monthly Report). In either situation, they had ample time to review them, prepare the report, and file it no later than April 20.

The respondents failed to prove that the notification of suspicious transactions by their credit card processor prevented them from filing the April Monthly Report on time. Therefore, the respondents do not meet the first part of the test and their "best efforts" defense does not succeed.

With respect to the other issue raised in the challenge (the Analyst gave the Treasurer permission to include March's activity in an April Quarterly Report), there is no indication from the telecoms that they discussed this but two Analysts did discuss filing requirements with him on May 27 and July 1. During May's conversation, one Analyst explained that they had to continue to file reports, including a termination report, even if the Committee had no activity (as of this date, they had not filed any reports for 2008 activity). During July's conversation, another Analyst explained the monthly filing requirements in an election year for Presidential committees which exceed the \$100,000 threshold. Moreover, they were notified that they must file on a monthly basis before and after the April Monthly filing deadline. The 2008 April Quarterly and Monthly Report Notice was sent to them via email on March 22. They were notified again on May 6 when RAD sent the non-filer letter for the April Monthly Report.

Their challenge fails to address any of the three valid excuses at 11 C.F.R § 111.35(b). These are: (i) the RTB finding is based on factual errors; and/or (ii) the improper calculation of the civil money penalty; and/or (iii) they used best efforts to file on time but were prevented from doing so by reasonably unforeseen circumstances that were beyond their control and they filed the report no later than 24 hours after the end of these circumstances. The Administrative Fine regulations specifically state that negligence does not constitute reasonably unforeseen circumstances. 11 C.F.R. § 111.35(d).

Therefore, the Reviewing Officer recommends that the Commission make a final determination that the respondents violated 2 U.S.C. § 434(a) and assess a civil money penalty of \$250.

Dear Senator Gravel:

On September 18, 2008, the Federal Election Commission ("Commission") found reason to believe ("RTB") that Mike Gravel for President 2008 and you, as Treasurer ("respondents"), violated 2 U.S.C. § 434(a) for failing to file the 2008 April Monthly Report. The Commission also made a preliminary determination that the civil money penalty was \$250 based on the schedule of penalties at 11 C.F.R. § 111.43.

After reviewing the written response and any supplemental information submitted by you and Commission staff, the Reviewing Officer has recommended that the Commission make a final determination in this matter. A copy of the Reviewing Officer's recommendation is attached.

You may file with the Commission Secretary a written response to the recommendation within 10 days of the date of this letter. Your written response should be sent to the Commission Secretary, 999 E Street, NW, Washington, DC 20463. As a result of the anthrax threat in the Washington, DC area, US Postal Service mail delivery to federal agencies, including the Commission, has been interrupted. Until regular mail delivery resumes, you may also file your written response with the Commission Secretary via facsimile (202-208-3333) or by courier at the same address (if you use an overnight delivery service, please use zip code 20004 instead of zip code 20463). Please include the AF # in your response. Your response may not raise any arguments not raised in your original written response or not directly responsive to the Reviewing Officer's recommendation. 11 C.F.R. § 111.36(f). The Commission will then make a final determination in this matter.

Please contact me at the toll free number 800-424-9530 (press 0, then press 1660) or 202-694-1660 if you have any questions.

Re: RE: AF# 1821

Dear Madam Secretary:

Mike Gravel for President 2008 ("the Committee") respectfully responds to the recommendation of the Reviewing Officer to impose a penalty of \$250 for the late-filed 2008 April Monthly Report. We request that the full Commission consider the relevant facts provided by the Committee in earlier communications.

While it is not easy to convey to the Commission the difficulty faced by the Committee's treasurer when reconciling multiple potential false contributions stemming from stolen credit card numbers, we sincerely hope the Commission can appreciate that this type of 'scare' was very troubling to a short-handed, relatively inexperienced (in FEC complexities) group of individuals trying to get the report pulled together in a way that would not be deemed inaccurate submissions for the public record. The report was filed as soon as these very real concerns could be addressed.

Sincerely,

Scott E. Thomas

Subject: Final Determination Recommendation in AF# 1821 – Mike Gravel for President 2008 and Mike Gravel, as Treasurer (C00423202)

On September 18, 2008, the Commission found reason to believe (“RTB”) that the respondents violated 2 U.S.C. § 434(a) for failing to file the 2008 April Monthly Report. As a result, the Commission also made a preliminary determination that the civil money penalty was \$250 based on the schedule of penalties at 11 C.F.R. § 111.43.

On October 28, 2008, the Commission received their written response (“challenge”). After reviewing the challenge, the Reviewing Officer’s recommendation dated February 23, 2009 was forwarded to the Commission, a copy was forwarded to the respondents, and is hereby incorporated by reference. The Reviewing Officer recommended that the Commission make a final determination that they violated 2 U.S.C. § 434(a) and assess a \$250 civil money penalty because they submitted no evidence that a factual error was made in the RTB finding, that the penalty was miscalculated at RTB or that they used best efforts to file on time. 11 C.F.R. § 111.35(b).

Within 10 days of transmittal of the recommendation, they may file a written response with the Commission Secretary which may not raise any arguments not raised in their challenge or not directly responsive to the Reviewing Officer’s recommendation. 11 C.F.R. § 111.36(f).

29092641097

On March 17, 2009, the Commission received the written response from their Counsel, Scott E. Thomas, who was designated by the Treasurer. Other than asking for consideration of the issues raised in the challenge and addressed in the Reviewing Officer recommendation, Counsel does not raise any new facts. He notes the difficulties faced by the Treasurer as he tried to reconcile questionable contributions stemming from stolen credit card numbers and explains that the situation was troubling to the inexperienced short-handed group of individuals who were working to pull the report together so it would be deemed accurate for the public record. He also says that the report was filed as soon as those concerns could be addressed. The response is attached for your review.

The Reviewing Officer recommends that the Commission make a final determination that they violated 2 U.S.C. § 434(a) and assess a civil money penalty of \$250.

OAR Recommendations

- (1) Adopt the Reviewing Officer recommendation for AF# 1821 involving Mike Gravel for President 2008 and Mike Gravel, as Treasurer, in making the final determination;
- (2) Make a final determination in AF# 1821 that Mike Gravel for President 2008 and Mike Gravel, as Treasurer, violated 2 U.S.C. § 434(a) and assess a civil money penalty of \$250; and
- (3) Send the appropriate letter.

Dear Mr. Thomas:

On September 18, 2008, the Federal Election Commission ("the Commission") found reason to believe ("RTB") that Mike Gravel for President 2008 and Mike Gravel, as Treasurer, violated 2 U.S.C. § 434(a) for failing to file the 2008 April Monthly Report. By letter dated September 19, 2008, the Commission sent your clients notification of the RTB finding that included a civil money penalty calculated at RTB of \$250 in accordance with the schedule of penalties at 11 C.F.R. § 111.43. On October 28, 2008, the Office of Administrative Review received the written response from the Treasurer challenging the RTB civil money penalty.

The Reviewing Officer reviewed the Commission's RTB finding with its supporting documentation and the written response. Based on this review, the Reviewing Officer recommended that the Commission make a final determination that Mike Gravel for President 2008 and Mike Gravel, as Treasurer, violated 2 U.S.C. § 434(a) and assess a civil money penalty in the amount of \$250 in accordance with 11 C.F.R. § 111.43. The basis for the Reviewing Officer's recommendation was included in the Final Determination Report, a copy of which was sent to the respondents on March 5, 2009.

On March 17, 2009, the Commission received your response and the Treasurer's designation of you as counsel. On April 9, 2009, the Commission adopted the Reviewing Officer's recommendation and made a final determination that Mike Gravel for President 2008 and Mike Gravel, as Treasurer, violated 2 U.S.C. § 434(a) and assessed a civil money penalty of \$250. It is based on the same factors used to calculate the civil money penalty at RTB. A copy of the final determination recommendation is attached.

To Pay the Civil Money Penalty

If you should decide to pay the civil money penalty, send the enclosed form and payment to the address on page 3 within 30 days of receipt of this letter.

29092641100

If You Do Not Pay the Civil Money Penalty

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA") as amended by the Debt Collection Improvement Act of 1996 ("DCIA"), 31 U.S.C. § 3701 et seq. If you do not pay this debt within 30 days (or file a written petition to a federal district court - see below), the Commission will transfer the debt to the U.S. Department of the Treasury ("Treasury") for collection. Within 5 days of the transfer to Treasury, Treasury will contact the debtor and request payment. Treasury currently charges a fee of 28% of the civil money penalty amount for its collection services. The fee will be added to the amount of the civil money penalty that you owe. Should Treasury's attempts fail, Treasury will refer the debt to a private collection agency ("PCA"). If the debt remains unpaid, Treasury may recommend that the Commission refer the matter to the Department of Justice for litigation.

If You Choose to Appeal the Final Determination and/or Civil Money Penalty

If you choose to appeal the final determination, you should submit a written petition, within 30 days of receipt of this letter, to the district court of the United States for the district in which the committee or treasurer reside, or transact business, requesting that the final determination be modified or set aside. See 2 U.S.C. § 437g(a)(4)(C)(iii). The failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver of the respondents' right to present such argument in a petition to the district court under 2 U.S.C. § 437g. 11 C.F.R. § 111.38.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. The file will be made a part of the public record pursuant to 11 C.F.R. § 111.42(b). Although the file must be placed on the public record within 30 days from the date of the Commission's notification, this could occur at any time following certification of the Commission's vote.
