SUBJECT: REASON TO BELIEVE RECOMMENDATION – 2008  
SEPTEMBER MONTHLY REPORT FOR THE ADMINISTRATIVE  
FINE PROGRAM

Attached is a list of political committees and their treasurers who failed to file the 2008 September Monthly Report in accordance with 2 U.S.C. 434(a). The September Monthly Report was due on September 20, 2008.

The committees listed in the attached RTB Circulation Report either failed to file or filed the report more than five (5) days after the due date. In accordance with the schedule of civil money penalties for reports at 11 CFR 111.43, these committees should be assessed the civil money penalties highlighted on the attached circulation report.

**Recommendation**

1. Find reason to believe that the political committees and their treasurers listed on the RTB Circulation Report violated 2 U.S.C. 434(a) and make a preliminary determination that the civil money penalties would be the amounts indicated on the RTB Circulation Report.
2. Send the appropriate letters.

Dear Stacy Cordier:

The Federal Election Campaign Act of 1971, as amended ("the Act"), requires that your committee file a September Monthly Report of Receipts and Disbursements covering the period through August 31st. This report shall be filed no later than September 20th. 2 U.S.C. 434(a). Records at the Federal Election Commission ("FEC") indicate that this report was not filed within thirty (30) days of the due date. You should file this report if you have not already done so.

The Act was further amended in 1999 to permit the FEC to impose civil money penalties for violations of the reporting requirements of 2 U.S.C. 434(a). 2 U.S.C. 437g(a)(4). On 11/17/2008, the FEC found that there is reason to believe ("RTB") that Thermo Fisher Scientific Inc. PAC and you, as treasurer, violated 2 U.S.C. 434(a) by failing to file timely this report on or before September 20th. Based on the FEC's schedules of civil money penalties at 11 C.F.R. 111.43, the amount of your civil money penalty calculated at the RTB stage is \$300. It is due by 12/27/2008 and is based on these factors:

Election Sensitivity of Report: Not Election Sensitive  
Level of Activity: \$9,318  
Number of Days Late: Not Filed  
Number of Previous Civil Money Penalties Assessed: 0

**To Pay the Calculated Civil Money Penalty**

To pay the calculated civil money penalty, send the enclosed remittance and your payment to the FEC at the address on page 4. Upon receipt of your payment, the FEC will send you a final determination letter.

**To Challenge the RTB Finding and/or Calculated Civil Money Penalty**

To challenge the RTB finding and/or calculated civil money penalty, you must submit a written response, including the AF# found on page one, to the FEC's Office of Administrative

29092624829

29092624830

Review, 999 E Street, NW, Washington, DC 20463. Your response must be received by 12/27/2008. Your written response must include the reason(s) why you are challenging the RTB finding and/or calculated civil money penalty. The FEC will only consider challenges that are based on a factual error in the RTB finding; miscalculation of the calculated civil money penalty by the FEC; or your demonstrated use of best efforts to file in a timely manner when prevented from doing so by reasonably unforeseen circumstances that were beyond your control. In order for a challenge to be considered on the basis of best efforts, you must have filed the required report no later than 24 hours after the end of these reasonably unforeseen circumstances. Examples of circumstances that will be considered reasonably unforeseen and beyond your control include, but are not limited to, a failure of Commission computers or Commission-provided software despite you seeking technical assistance from Commission personnel and resources; a widespread disruption of information transmissions over the Internet that is not caused by the Commission's or your computer systems or Internet service provider; and severe weather or other disaster-related incident. **Examples of circumstances that will not be considered reasonably unforeseen and beyond your control include, but are not limited to, negligence; delays caused by vendors or contractors; treasurer and staff illness, inexperience or unavailability; committee computer, software, or internet service provider failures; failure to know filing dates; and failure to use filing software properly.** Your response must include the factual basis supporting the reason(s) and supporting documentation. The FEC strongly encourages that documents be submitted in the form of affidavits or declarations. 11 C.F.R. 111.35.

Your failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver of your right to present such argument in a petition to the district court under 2 U.S.C. 437g. 11 C.F.R. 111.38.

If you intend to be represented by counsel, please advise the Office of Administrative Review. You should provide, in writing, the name, address and telephone number of your counsel and authorize counsel to receive notifications and communications relating to this challenge and imposition of the calculated civil money penalty.

#### **If You Do Not Pay the Calculated Civil Money Penalty or Submit a Challenge**

If you do not pay the calculated civil money penalty or submit a written response, the FEC will assume that the preceding factual allegations are true and make a final determination that Thermo Fisher Scientific Inc. PAC and you, as treasurer, violated 2 U.S.C. 434(a) and assess a civil money penalty.

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA") as amended by the Debt Collection Improvement Act of 1996, 31 U.S.C. 3701 et seq. The FEC may take any and all appropriate action authorized and required by the DCA, as amended, including transfer to the U.S. Department of the Treasury for collection. 11 C.F.R. 111.45.

This matter was generated based on information ascertained by the FEC in the normal course of carrying out its supervisory responsibilities. 2 U.S.C. 437g(a)(2). It will remain confidential in accordance with 2 U.S.C. 437g(a)(4)(B) and 437g(a)(12)(A) until it is placed on

the public record in accordance with 11 C.F.R. 111.42, unless you notify the FEC in writing that you wish the matter to be made public.

Additional information on the FEC's administrative fine program, including the final regulations, is located at the FEC's website at [www.FEC.gov](http://www.FEC.gov). If you have questions regarding the payment of the calculated civil money penalty, please contact Rhiannon Magruder in the Reports Analysis Division at our toll free number (800) 424-9530 (at the prompt press 5) or (202) 694-1130. If you have questions regarding the submission of a challenge, please contact the Office of Administrative Review at our toll free number (800) 424-9530 (press 0, then ext. 1660) or (202) 694-1660.

Dear Sirs,

I am aware of the late filing of report cited in your correspondence dated November 19, 2008. The database used for filing information with yourselves was corrupted. This had happened one time previously and I had contacted your technical analyst who had assisted me in the rebuild. That instance did not result in a late filing, but she did advise me to move the data to a network for security and back-up. I did as she suggested, but in this case the restore by the systems people was not effective, and she was also unable to rebuild it. I had to manually rebuild the database from my last recoverable date which was a substantial amount of effort.

This PAC has made every effort to file timely reports, and this late filing was not a matter that could have been foreseen or controlled. We maintain our database with a backup that should have been adequate to meet all filing requirements and the report was filed as soon as possible given the circumstances. The software was used properly, within the parameters established by yourselves. You may check the correspondence with our analyst at your offices regarding this situation. Based on this, and our previous record of compliance we request that this fine be waived.

Sincerely,

Stacy E. Cordier

**Supplemental Filing Information is available on pages 2 and 3 of this notice.**

<sup>1</sup>These dates indicate the beginning and the end of the reporting period. A reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee registered up through the close of books for the first report due.

<sup>2</sup>Notice that this filing deadline falls on a weekend. Filing deadlines are not extended when they fall on nonworking days. Accordingly, reports filed by methods other than Registered, Certified or Overnight Mail, or electronically, must be received before the Commission's (or for committees supporting only Senate candidates, the Secretary of the Senate's) close of business on the last business day before the deadline.

29092624838

## SUPPLEMENTAL FILING INFORMATION

**PLEASE NOTE:** The Commission provides reminders of upcoming filing dates as a courtesy to help committees comply with the filing deadlines set forth in the Act and Commission regulations. Committee treasurers must comply with all applicable filing deadlines established by law, and the lack of prior notice does not constitute an excuse for failing to comply with any filing deadline.

### WHO MUST FILE

As a monthly filer, you must file monthly reports in 2008. Before a committee can stop filing with the FEC, it must file a termination report with the Commission. Committees must continue to file reports until the Commission notifies them in writing that their termination report has been accepted.

### METHODS OF FILING REPORTS

#### Electronic Filing

Reports filed electronically must be received and validated by the Commission by 11:59 p.m. Eastern Time on the filing deadline. For additional information, call the Electronic Filing Office at (800) 424-9530 or (202) 694-1642 or visit our website at [www.fec.gov/electfil/electron.shtml](http://www.fec.gov/electfil/electron.shtml).

Under the Commission's mandatory electronic filing regulations, political committees that receive contributions or make expenditures, including independent expenditures, in excess of \$50,000 in a calendar year, or that have reason to expect to do so, must file all reports with the FEC electronically. Other committees may voluntarily file electronically; however, any entity that files electronically, whether required to do so or not, must comply with the electronic filing rules.

#### Registered & Certified Mail

Monthly Reports sent by Registered or Certified Mail must be postmarked on or before the mailing deadline to be considered timely filed. A committee sending its reports by Certified Mail should keep its certified mailing receipt with the U.S. Postal Service (USPS) postmark as proof of filing because the USPS does not keep complete records of items sent by Certified Mail. A committee sending its report by Registered Mail should keep its proof of mailing. Please note that a Certificate of Mailing from the USPS is not sufficient to prove that a report is timely filed using Registered, Certified or Overnight Mail.

#### Overnight Mail

Reports filed via overnight mail will be considered timely filed if the report is received by the delivery service on or before the mailing deadline. "Overnight mail" includes Priority or Express Mail having a delivery confirmation, or an overnight delivery service with which the report is scheduled for next business day delivery and is recorded in the service's on-line tracking system.

#### Other Means of Filing

Monthly Reports filed by any other means—including first class mail and courier—must be received by the Commission (or for committees supporting only Senate candidates, the Secretary of the Senate) before the close of business on the last business day before the filing deadline.

Forms are available for downloading and printing at the FEC website at [www.fec.gov/info/forms.shtml](http://www.fec.gov/info/forms.shtml).

29092624839

## COMPLIANCE

**Treasurer Responsibility.** Treasurers of political committees are responsible for both the timeliness and the accuracy of all reports. They may be subject to monetary penalties if reports are inaccurate or are not filed on time. For additional information, see the Commission's *Statement of Policy Regarding Treasurers Subject to Enforcement Proceedings* on the web site at [www.fec.gov/law/policy/2004/notice2004-20.pdf](http://www.fec.gov/law/policy/2004/notice2004-20.pdf).

**Administrative Fine Program.** Under the Administrative Fine Program, political committees and their treasurers who fail to file their reports on time may be subject to civil money penalties up to \$16,000 (or more for repeat late- and non-filers). For additional information, visit the FEC website at [www.fec.gov/af/af.shtml](http://www.fec.gov/af/af.shtml).

**Report Format.** In addition, political committees that file illegible reports or use non-FEC forms (except for FEC-approved, computer-generated forms) will be required to refile their reports.

**Electronic Filers Must File Electronically.** Electronic filers who instead file on paper, or who submit an electronic report (either by direct transmission, 3.5" diskette or CD) that does not pass the validation program by 11:59 p.m. Eastern Time on the filing deadline, will be considered non-filers and may be subject to enforcement actions (including administrative fines).

### 48- AND 24-HOUR REPORTS OF INDEPENDENT EXPENDITURES

Any PAC or Party Committee that makes independent expenditures at any time during the calendar year—up to and including the 20th day before an election (including a special election)—are required to disclose this activity within 48 hours each time that the expenditures aggregate \$10,000 or more in connection with that election. This reporting requirement is in addition to the requirement to file 24-hour reports of independent expenditures each time disbursements for independent expenditures in connection with that election aggregate or exceed \$1,000 during the last 20 days—up to 24 hours—before an election. PACs and Party Committees must report independent expenditures that do not trigger the 48- or 24-hour reporting thresholds on their regularly-scheduled disclosure reports. See 11 CFR 104.4.

These reports are not required when a Party Committee or PAC makes a contribution directly to a candidate. For a chart of the 2008 48- and 24-hour reporting periods for independent expenditures, consult the FEC website at [www.fec.gov/info/charts\\_ie\\_dates\\_prez.shtml](http://www.fec.gov/info/charts_ie_dates_prez.shtml).

### CHANGE IN FILING FREQUENCY

Committees able to change their reporting schedule (for example, from monthly to quarterly) who wish to do so must notify the Commission in writing when filing a report under the committee's current schedule. All reports filed after providing such a notice of change in filing frequency must follow the new filing schedule. Electronic filers must file this request electronically. Committees may change their filing frequency no more than once per calendar year.

**REVIEWING OFFICER RECOMMENDATION  
OFFICE OF ADMINISTRATIVE REVIEW ("OAR")**

AF# 1886 – Thermo Fisher Scientific Inc. PAC and Stacy E. Cordier, as Treasurer  
(C00292318)

On November 17, 2008, the Commission found reason to believe ("RTB") that the respondents violated 2 U.S.C. § 434(a) for failure to file the 2008 September Monthly Report and made a preliminary determination that the civil money penalty was \$300 based on the schedule of penalties at 11 C.F.R. § 111.43. They were notified by the Reports Analysis Division ("RAD") on November 19, 2008 of the Commission's RTB finding and civil money penalty.

**Respondents' Response**

On December 22, 2008, the Commission received the written response ("challenge") from the Treasurer requesting that the Commission waive the civil money penalty based on their circumstances and previous record of compliance. The Treasurer states that the Committee's database was corrupted which prevented timely filing of the report. They had previously experienced problems with a corrupted database and, with the advice of a technical analyst at the Commission, the Treasurer rebuilt it. She also moved the database to a network for security and backup; however, restoring the file from the backup was not effective, nor could the Commission's technical staff rebuild it. The Treasurer had to manually rebuild the file, which took substantial effort. She states that the problems could not have been foreseen or controlled; the backup should have been adequate to meet all filing requirements; the report was filed as soon as possible given the circumstances; and there is correspondence with analysts about this situation.

**Analysis**

The September Monthly Report was filed on November 4, 2008, 45 days late. The memo text on the last page of the report states that it was "filed late due to a corrupted data file [which] was kept on a corporate IT system with regular backups as prescribed, but there was extensive delay in locating the file."

The Federal Election Campaign Act ("Act") states that the treasurer of a political committee not authorized by a candidate shall file a report for the period ending August 31 no later than September 20. 2 U.S.C. § 434(a)(4)(B) and 11 C.F.R. § 104.5(c)(3)(i). Reports electronically filed must be received and validated at or before 11:59 pm Eastern Standard/Daylight Time on September 20 to be timely filed. 11 C.F.R. §§ 100.19(c) and 104.5(e). The treasurer shall be personally responsible for the timely filing of reports. 11 C.F.R. § 104.14(d).

29092624842

Based on the Treasurer's description of a prior problem with a corrupted database, it appears that she is referring to the problem she encountered when trying to file the 2007 December Monthly Report. The Electronic Filing Office ("EFO") logs show that she contacted the EFO on December 20, the report's due date, about a corrupted database. After speaking with the EFO staff, the Treasurer emailed the corrupted FECFile data set (\*.dcf file) and its backup to the EFO staff on that date to see if it could be repaired. Ms. Green repaired it and emailed it back to her the same day. Commission records show that the Treasurer successfully uploaded the 2007 December Monthly Report that same day.

With respect to the 2008 September Monthly Report, the Treasurer contacted the EFO for assistance on September 22, 2 days after the report was due. Ms. Green told the Treasurer to email the corrupted \*.dcf file to her but, if she could not repair it, the Treasurer would have to rebuild it and could find the instructions for performing a rebuild on the Commission's website.

The EFO logs show that the EFO staff received the corrupted \*.dcf file from the Treasurer on September 22; however, the EFO logs show that staff did not follow-up with the Treasurer. When preparing his response, the Information Technology Manager explains that the EFO staff retrieved the corrupted \*.dcf file, tested it, and found that it was repairable. He says that the problem appears to be similar to that of the corrupted \*.dcf file which the EFO staff repaired in December 2007.

Based on what occurred with the December Monthly Report (the Treasurer emailed the corrupted \*.dcf file to the EFO staff on December 20, and they repaired it and emailed it back to her that day), it is reasonable to conclude that the respondents may have been able to file the September Monthly Report the same day on which they emailed the corrupted \*.dcf file to the EFO.

At the time of the RTB finding, the report was considered not filed as it was filed 45 days late. The Reviewing Officer believes that the lack of follow-up after receipt of the respondents' corrupted \*.dcf file should be taken into consideration at final determination. This would result in the report considered 2 days late. Using the same level of activity (\$9,318) as was used at the time of the RTB finding, the amount of the civil money penalty at final determination would be  $[\$50 + (\$5 \times 2)] \times [1 + (.25 \times 0)]$  or ~~\$60, reduced from the \$300 RTB civil money penalty calculation.~~

The other issue raised in their challenge (their record of compliance) does not fall within the list of any of the three valid excuses at 11 C.F.R. § 111.35(b). These are: (i) the RTB finding is based on factual errors; and/or (ii) the improper calculation of the civil money penalty; and/or (iii) they used best efforts to file on time but were prevented from doing so by reasonably unforeseen circumstances that were beyond their control and they filed the report no later than 24 hours after the end of these circumstances.

29092624843

Therefore, the Reviewing Officer recommends that the Commission make a final determination that the respondents violated 2 U.S.C. § 434(a) and assess a civil money penalty of \$60.

### **OAR Recommendations**

Dear Ms. Cordier:

On November 17, 2008, the Federal Election Commission ("Commission") found reason to believe ("RTB") that Thermo Fisher Scientific Inc. PAC and you, as Treasurer ("respondents"), violated 2 U.S.C. § 434(a) for failing to file the 2008 September Monthly Report. The Commission also made a preliminary determination that the civil money penalty was \$300 based on the schedule of penalties at 11 C.F.R. § 111.43.

After reviewing the written response and any supplemental information submitted by you and Commission staff, the Reviewing Officer has recommended that the Commission make a final determination in this matter. A copy of the Reviewing Officer's recommendation is attached.

You may file with the Commission Secretary a written response to the recommendation within 10 days of the date of this letter. Your written response should be sent to the Commission Secretary, 999 E Street, NW, Washington, DC 20463. As a result of the anthrax threat in the Washington, DC area, US Postal Service mail delivery to federal agencies, including the Commission, has been interrupted. Until regular mail delivery resumes, you may also file your written response with the Commission Secretary via facsimile (202-208-3333) or by courier at the same address (if you use an overnight delivery service, please use zip code 20004 instead of zip code 20463). Please include the AF # in your response. Your response may not raise any arguments not raised in your original written response or not directly responsive to the Reviewing Officer's recommendation. 11 C.F.R. § 111.36(f). The Commission will then make a final determination in this matter.

Please contact me at the toll free number 800-424-9530 (press 0, then press 1660) or 202-694-1660 if you have any questions.

Subject: Final Determination Recommendation in AF# 1886 - Thermo Fisher Scientific Inc. PAC and Stacy E. Cordier, as Treasurer (C00292318)

On November 17, 2008, the Commission found reason to believe ("RTB") that the respondents violated 2 U.S.C. § 434(a) for failure to file the 2008 September Monthly Report. The Report was filed on November 4, 2008, and was considered not filed for purposes of the civil money penalty. As a result, on November 17, 2008, the Commission also made a preliminary determination that the civil money penalty was \$300 based on the schedule of penalties at 11 C.F.R. § 111.43.

On December 22, 2008, the Commission received their written response ("challenge"). After reviewing the challenge, the Reviewing Officer's recommendation dated February 23, 2009 was forwarded to the Commission, a copy was forwarded to the respondents, and is hereby incorporated by reference.

The Committee demonstrated that they experienced issues surrounding their \*.dcf file, which the Reviewing Officer believes should be taken into consideration at final determination. The Committee sought assistance with their \*.dcf file two days after the report was due. Had the file been promptly repaired, the report could have been filed two days after the due date. Using the same level of activity (\$9,318) as was used at the time of the RTB finding, the amount of the civil money penalty at final determination would be  $[\$50 + (\$5 \times 2)] + [1 + (.25 + 0)]$  or \$60, reduced from \$300. The Reviewing Officer

29092624852

recommended that the Commission make a final determination that they violated 2 U.S.C. § 434(a) and assess a \$60 (reduced from \$300) civil money penalty. 11 C.F.R. § 111.35(b).

Within 10 days of transmittal of the recommendation, the respondents may file a written response with the Commission Secretary which may not raise any arguments not raised in the respondents' challenge or not directly responsive to the Reviewing Officer's recommendation. 11 C.F.R. § 111.36(f). As of this date, a written response has not been received.

**OAR Recommendations**

- (1) Adopt the Reviewing Officer recommendation for AF# 1886 involving Thermo Fisher Scientific Inc. PAC and Stacy E. Cordier, as Treasurer, in making the final determination;
- (2) Make a final determination in AF# 1886 that Thermo Fisher Scientific Inc. PAC and Stacy E. Cordier, as Treasurer, violated 2 U.S.C. § 434(a) and assess a civil money penalty of \$60 (reduced from the \$300 RTB civil money penalty); and
- (3) Send the appropriate letter.

Dear Ms. Cordier:

On November 17, 2008, the Federal Election Commission ("the Commission") found reason to believe ("RTB") that Thermo Fisher Scientific Inc. PAC and you, as Treasurer, violated 2 U.S.C. § 434(a) for failing to file the 2008 September Monthly Report. By letter dated November 19, 2008, the Commission sent you notification of the RTB finding that included a civil money penalty calculated at RTB of \$300 in accordance with the schedule of penalties at 11 C.F.R. § 111.43. On December 22, 2008, the Office of Administrative Review received the written response from you, challenging the RTB civil money penalty.

The Reviewing Officer reviewed the Commission's RTB finding with its supporting documentation and the written response. Based on this review, the Reviewing Officer recommended that the Commission take into consideration at final determination the difficulties they experienced with their \*.dcf file. They sought assistance with their \*.dcf file two days after the report was due. Had the file been promptly repaired, the report could have been filed two days after the due date. Using the same level of activity (\$9,318) as was used at the time of the RTB finding, the amount of the civil money penalty at final determination would be [ $\$50 + (\$5 \times 2)$ ] + [ $1 + (.25 + 0)$ ] or \$60, reduced from \$300. The basis for the Reviewing Officer's recommendation was included in the Final Determination Report, a copy of which was sent to you on March 4, 2009.

On April 14, 2009, the Commission received the \$60 payment for the civil money penalty. On April 16, 2009, the Commission adopted the Reviewing Officer's recommendation, made a final determination that Thermo Fisher Scientific Inc. PAC and you, as Treasurer, violated 2 U.S.C. § 434(a) and assessed a civil money penalty of \$60 (reduced from the RTB civil money penalty of \$300). A copy of the final determination recommendation is attached.

The confidentiality provisions at 2 U.S.C. § 437g(a)(12) no longer apply and this matter is now public. The file will be made a part of the public record pursuant to 11 C.F.R. § 111.42(b). Although the file must be placed on the public record within 30 days

29092624855

from the date of the Commission's notification, this could occur at any time following certification of the Commission's vote.

If you have any questions, please contact Maureen Benitz on our toll free number (800)424-9530 (press 0, then ext. 1660) or (202)694-1660.
