SUBJECT: Reason To Believe Recommendation – 2018 12 Day Pre-General Report
(Unauthorized Committees – Quarterly Filers) for the Administrative Fine
Program

Attached is a list of political committees and their treasurers who failed to file or timely file the 2018 12 Day Pre-General Report in accordance with 52 U.S.C. § 30104(a). The list is comprised of unauthorized quarterly filers that made General Election contributions or expenditures from October 1, 2018 through October 17, 2018, and failed to file or timely file the 2018 12 Day Pre-General Report.

The committees listed on the attached RTB Circulation Report failed to file the report prior to four (4) days before the General Election (considered a non-filed report). In accordance with the schedule of civil money penalties at 11 CFR 111.43, these committees should be assessed the civil money penalties highlighted on the attached circulation report.

As noted above, the 2018 12 Day Pre-General Report circulation list includes unauthorized quarterly filers that made General Election contributions or expenditures from October 1, 2018 through October 17, 2018, but failed to file or timely file the 2018 12 Day Pre-General Election

Report. In order to accurately identify these committees for administrative fine purposes, the Reports Analysis Division (RAD) used the following procedures and criteria:

- Every 12 Day Pre-General Report (12G) submitted by an unauthorized quarterly filer was reviewed to ensure that it disclosed General Election contributions or expenditures made during the coverage dates of the report. Any report meeting this definition that was filed late is included in the list. Any report not disclosing general election contributions or expenditures during this period is not included in the list, as it is not a required filing.
- Every 30 Day Post-General Report (30G) submitted by an unauthorized quarterly filer that covered the period from October 1, 2018 through November 26, 2018 (57 days) was reviewed for activity which would have required the filing of a 12G. If our research indicated that a 12G was required, we utilized a three-step method to arrive at the activity on which to base the 12G fine amount. First, we took the sum of all itemized receipts and disbursements that should have been disclosed on a 12G. Second, if the committee had any unitemized activity, a per diem level of this activity was calculated by multiplying the total amount of unitemized activity on the report by 29.82% (17 days (12G Filing Period)/57 days (30G Filing Period)). Third, we took the sum of the amounts calculated in steps one and two to arrive at the level of activity assigned to the 12G.
- Every Year-End Report (YE) submitted by an unauthorized quarterly filer that covered the period from October 1, 2018 through December 31, 2018 (92 days) was reviewed for activity which would have required the filing of a 12G. If our research indicated that a 12G was required, we utilized a three-step method to arrive at the activity on which to base the 12G fine amount. First, we took the sum of all itemized receipts and disbursements that should have been disclosed on a 12G. Second, if the committee had any unitemized activity, a per diem level of this activity was calculated by multiplying the total amount of unitemized activity on the report by 18.48% (17 days (12G Filing Period)/92 days (YE Filing Period)). Third, we took the sum of the amounts calculated in steps one and two to arrive at the level of activity assigned to the 12G.

Recommendation

1. Find reason to believe that the political committees and their treasurers, in their official capacity, listed on the RTB Circulation Report violated 52 U.S.C. § 30104(a) and make a preliminary determination that the civil money penalties would be the amounts indicated on the RTB Circulation Report.
2. Send the appropriate letters.

Dear Mr. Bond:

The Federal Election Campaign Act of 1971, as amended ("the Act"), requires that your committee file a 12 Day Pre-General Report of Receipts and Disbursements in a calendar year during which there is a regularly scheduled election. This report is required if your committee makes a contribution to or expenditure on behalf of a candidate in the general election. This report, covering the period October 1, 2018 through October 17, 2018, shall be filed no later than October 25, 2018. 52 U.S.C. § 30104(a). Because records at the Federal Election Commission ("FEC") indicate that you did not file this report prior to four (4) days before the General Election held on November 6, 2018, the report is considered not filed for the purpose of calculating the civil money penalty. You should file the report if you have not already done so.

The Act permits the FEC to impose civil money penalties for violations of the reporting requirements of 52 U.S.C. § 30104(a). 52 U.S.C. § 30109(a)(4). On March 14, 2019, the FEC found that there is reason to believe ("RTB") that Lockton Inc. Political Action Committee and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) by failing to file timely this report on or before October 25, 2018. Based on the FEC's schedules of civil money penalties at 11 C.F.R. § 111.43, the amount of your civil money penalty calculated at the RTB stage is \$820. Please see the attached copy of the Commission's administrative fine regulations at 11 C.F.R. §§ 111.30-111.46. Attachment 1. The Commission's website contains further information about how the administrative fine program works and how the fines are calculated. *See* <https://www.fec.gov/af/pay.shtml> 11 C.F.R. § 111.34. Your payment of \$820 is due within forty (40) days of the finding, or by April 23, 2019, and is based on these factors:

Election Sensitivity of Report: Election Sensitive

Level of Activity: \$7,301

Number of Days Late: Not Filed (reports not filed prior to four (4) days before the General Election held on November 6, 2018 are considered not filed for the purpose of calculating the penalty)

Number of Previous Civil Money Penalties Assessed: 0

At this juncture, the following courses of action are available to you:

1. If You Choose to Challenge the RTB Finding and/or Civil Money Penalty

If you should decide to challenge the RTB finding and/or calculated civil money penalty, you must submit a written response to the FEC's Office of Administrative Review, 1050 First Street, NE, Washington, DC 20002. Your response must include the AF# (found at the top of page 1 under your committee's identification number) and be received within forty (40) days of the Commission's RTB finding, or April 23, 2019. 11 CFR § 111.35(a). Your written response must include the reason(s) why you are challenging the RTB finding and/or calculated civil money penalty, and must include the factual basis supporting the reason(s) and supporting documentation. The FEC strongly encourages that documents be submitted in the form of affidavits or declarations. 11 CFR § 111.36(c).

The FEC will only consider challenges that are based on at least one of three grounds: (1) a factual error in the RTB finding; (2) miscalculation of the calculated civil money penalty by the FEC; or (3) your demonstrated use of best efforts to file in a timely manner when prevented from doing so by reasonably unforeseen circumstances that were beyond your control. 11 CFR § 111.35(b). In order for a challenge to be considered on the basis of best efforts, you must have filed the required report no later than 24 hours after the end of these reasonably unforeseen circumstances. *Id.* Examples of circumstances that will be considered reasonably unforeseen and beyond your control include, but are not limited to: (1) a failure of Commission computers or Commission-provided software despite your seeking technical assistance from Commission personnel and resources; (2) a widespread disruption of information transmissions over the Internet that is not caused by a failure of the Commission's or your computer systems or Internet service provider; and (3) severe weather or other disaster-related incident. 11 CFR § 111.35(c). Examples of circumstances that will not be considered reasonably unforeseen and beyond your control include, but are not limited to: (1) negligence; (2) delays caused by vendors or contractors; (3) treasurer and staff illness, inexperience or unavailability; (4) committee computer, software, or Internet service provider failures; (5) failure to know filing dates; and (6) failure to use filing software properly. 11 CFR § 111.35(d).

The "failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver" of your right to present such argument in a petition to the U.S. District Court under 52 U.S.C. § 30109. 11 CFR § 111.38.

If you intend to be represented by counsel, please advise the Office of Administrative Review. You should provide, in writing, the name, address and telephone number of your counsel and authorize counsel to receive notifications and communications relating to this challenge and imposition of the calculated civil money penalty.

2. If You Choose Not to Pay the Civil Money Penalty and Not to Submit a Challenge

If you do not pay the calculated civil money penalty and do not submit a written response, the FEC will assume that the preceding factual allegations are true and make a final determination that Lockton Inc. Political Action Committee and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) and assess a civil money penalty.

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA"), as amended by the Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701 *et seq.* The FEC may take any and all appropriate

action authorized and required by the DCA, as amended, including transfer to the U.S. Department of the Treasury for collection. 11 CFR § 111.51(a)(2).

3. If You Choose to Pay the Civil Money Penalty

If you should decide to pay the calculated civil money penalty, follow the payment instructions on page 4 of this letter. Upon receipt of your payment, the FEC will send you a final determination letter.

NOTICE REGARDING PARTIAL PAYMENTS AND SETTLEMENT OFFERS

4. Partial Payments

If you make a payment in an amount less than the calculated civil money penalty, the amount of your partial payment will be credited towards the full civil money penalty that the Commission assesses upon making a final determination.

5. Settlement Offers

Any offer to settle or compromise a debt owed to the Commission, including a payment in an amount less than the calculated civil money penalty assessed or any restrictive endorsements contained on your check or money order or proposed in correspondence transmitted with your check or money order, will be rejected. Acceptance and deposit or cashing of such a restricted payment does not constitute acceptance of the settlement offer. Payments containing restrictive endorsements will be deposited and treated as a partial payment towards the civil money penalty that the Commission assesses upon making a final determination. All unpaid civil money penalty amounts remaining will be subject to the debt collection procedures set forth in Section 2, above.

This matter was generated based on information ascertained by the FEC in the normal course of carrying out its supervisory responsibilities. 52 U.S.C. § 30109(a)(2). Unless you notify the FEC in writing that you wish the matter to be made public, it will remain confidential in accordance with 52 U.S.C. § 30109(a)(4)(B) and 30109(a)(12)(A) until it is placed on the public record at the conclusion of this matter in accordance with 11 CFR § 111.42.

As noted earlier, you may obtain additional information on the FEC's administrative fine program, including the final regulations, on the FEC's website at <https://www.fec.gov/af/pay.shtml>. SUBJECT: Withdrawal and Resubmission of Final Determination Recommendation – 2018 12 Day Pre-General Report (Unauthorized Committees – Quarterly Filers) for the Administrative Fine Program

We are withdrawing the document circulated to the Commission on October 21, 2019 in order to reflect updates disclosed in filings received by the Commission after the initial submission of this recommendation. The document was updated to reflect a change in the Treasurer for Management and Training Corporation Political Action Committee (AF 3597).

Attached are two lists of political committees and their treasurers against which the Commission has found reason to believe (RTB) and assessed proposed civil money penalties calculated at RTB for failure to file or failure to timely file the 2018 12 Day Pre-General Report. The first list represents the committees that have paid the civil money penalty and the second list represents the committees that have not paid the civil money penalty. The committees that have not paid have been given at least forty (40) days from the date of the Commission's RTB finding to remit payment.

In accordance with 11 CFR § 111.34 and 11 CFR § 111.40, the Commission shall send a final determination notice to those respondents that have either paid or not paid the civil money penalty.

For your information, one (1) committee disclosed a level of activity after the RTB finding which would result in a lowered civil money penalty. An overview of this case has been provided below.

Lockton Inc. Political Action Committee (AF 3595) filed the 2018 12 Day Pre-General Report after the RTB finding and disclosed an actual level of activity which would result in a lowered civil money penalty than that assessed at RTB. The committee disclosed total receipts and disbursements of \$1,301 (previously estimated to be \$7,301), thus the fine would be lowered from \$820 to \$684.

For your information, three (3) committees disclosed a change in treasurer after the RTB finding. An overview of these cases has been provided below.

Management and Training Corporation Political Action Committee (AF 3597) filed an Amended Statement of Organization after the RTB finding designating Daniel Marquardt as Treasurer.

Pipefitters Local #533 Volunteer Political Fund (AF 3606) filed an Amended Statement of Organization after the RTB finding designating Charles Roseburrough as Treasurer.

Western Growers Political Action Committee (AF 3617) filed an Amended Statement of Organization after the RTB finding designating Ashlee Titus as Treasurer.

RAD Recommendation

- (1) Make a final determination that the political committees and their treasurers, in their official capacity, listed on the attached reports violated 52 U.S.C. § 30104(a) and assess the final civil money penalties so indicated.
- (2) Send the appropriate letters.

Dear Mr. Bond,

On March 14, 2019, the Federal Election Commission ("the Commission") found reason to believe ("RTB") that Lockton Inc. Political Action Committee and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) for filing late or failing to file the 2018 Pre-General Report. By letter dated March 15, 2019, the Commission notified you of the RTB finding and the preliminary civil money penalty calculated at the RTB stage to be \$820 in accordance with the schedule of penalties at 11 CFR § 111.43. Within forty (40) days of the FEC's RTB finding, you were required to either transmit payment of the calculated civil money penalty or submit a written response challenging either the RTB finding or the calculated civil money penalty.

The FEC did not receive payment of the calculated civil money penalty or a written response within the time permitted. Since that time, the amount of the civil money penalty has been changed to reflect the level of activity of the Pre-General Report. The FEC made a final determination on June 29, 2020 that Lockton Inc. Political Action Committee and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) and assessed a civil money penalty in the amount of \$684 in accordance with 11 CFR § 111.43. The civil money penalty is based on these factors:

Election Sensitivity of Report: Election Sensitive

Level of Activity: \$1,301

Number of Days Late: Not Filed (reports not filed prior to four (4) days before the General Election held on November 6, 2018 are considered not filed for the purposes of calculating the penalty)

Number of Previous Civil Money Penalties Assessed: 0

At this juncture, the following courses of action are available to you:

1. If You Choose to Appeal the Final Determination and/or Civil Money Penalty

If you choose to appeal the final determination, you should submit a written

LOCKTON INC POLITICAL ACTION COMMITTEE

petition, within thirty (30) days of receipt of this letter, to the U.S. District Court for the district in which the committee or you reside, or transact business, requesting that the final determination be modified or set aside. See 52 U.S.C. § 30109(a)(4)(C)(iii). Your failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver of the respondents' right to present such argument in a petition to the district court under 52 U.S.C. § 30109. 11 CFR § 111.38.

2. If You Choose Not to Pay the Civil Money Penalty and Not to Appeal

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA") as amended by the Debt Collection Improvement Act of 1996 ("DCIA"), 31 U.S.C. § 3701 et seq. If you do not pay this debt within thirty (30) days (or file a written petition to a federal district court - see below), the Commission will transfer the debt to the U.S. Department of the Treasury ("Treasury") for collection. Within five (5) days of the transfer to Treasury, Treasury will contact you to request payment. Treasury currently charges a fee of 30% of the civil money penalty amount for its collection services. If the age of the debt is greater than or equal to two years old, Treasury will charge a fee of 32% of the civil money penalty amount for its collection services. The fee will be added to the amount of the civil money penalty that you owe. Should Treasury's attempts fail, Treasury will refer the debt to a private collection agency ("PCA"). If the debt remains unpaid, Treasury may recommend that the Commission refer the matter to the Department of Justice for litigation.

Actions which may be taken to enforce recovery of a delinquent debt by Treasury may also include: (1) offset of any payments, which the debtor is due, including tax refunds and salary; (2) referral of the debt to agency counsel for litigation; (3) reporting of the debt to a credit bureau; (4) administrative wage garnishment; and (5) reporting of the debt, if discharged, to the IRS as potential taxable income. In addition, under the provisions of DCIA and other statutes applicable to the FEC, the debtor may be subject to the assessment of other statutory interest, penalties, and administrative costs.

In accordance with the DCIA, at your request, the agency will offer you the opportunity to inspect and copy records relating to the debt, the opportunity for a review of the debt, and the opportunity to enter into a written repayment agreement.

3. If You Choose to Pay the Civil Money Penalty

If you should decide to pay the civil money penalty, follow the payment instructions on page 4 of this letter. You should make payment within thirty (30) days of receipt of this letter.

LOCKTON INC POLITICAL ACTION COMMITTEE

4. Partial Payments

If you make a payment in an amount less than the civil money penalty, the amount of your partial payment will be credited towards the full civil money penalty that the Commission assessed upon making a final determination.

5. Settlement Offers

Any offer to settle or compromise a debt owed to the Commission, including a payment in an amount less than the civil money penalty assessed or any restrictive endorsements contained on your check or money order or proposed in correspondence transmitted with your check or money order, will be rejected. Acceptance and deposit or cashing of such a restricted payment does not constitute acceptance of the settlement offer. Payments containing restrictive endorsements will be deposited and treated as a partial payment towards the civil money penalty that the Commission assessed upon making a final determination. All unpaid civil money penalty amounts remaining will be subject to the debt collection procedures set forth in Section 2, above.

The confidentiality provisions at 52 U.S.C. § 30109(a)(12) no longer apply and this matter is now public. Pursuant to 11 CFR §§ 111.42(b) and 111.20(c), the file will be placed on the public record within thirty (30) days from the date of this notification.

If you have any questions regarding the payment of the civil money penalty, please contact Jacqueline Gausepohl at Federal Election Commission, 1050 First St., NE, Washington, DC 20002, or our toll free number (800) 424-9530 (at the prompt, press 5) or (202) 694-1130.

SUBJECT: Rescinding and Resubmitting the Final Determination Recommendation in Administrative Fine Matter #3595 - Lockton Inc. Political Action Committee

On June 29, 2020, the Commission made a Final Determination (FD) that Lockton Inc. Political Action Committee and Henry Bond, in his official capacity as treasurer, violated 52 U.S.C. § 30104(a) for failing to timely file the 2018 12 Day Pre-General Report. The Commission also assessed a final civil money penalty of \$684. RAD recommends the Commission rescind its final determination of June 29, 2020, and subsequently take no further action and close the file.

Unauthorized committees filing on a quarterly basis are required to file a 12 Day Pre-General Report only if the committee makes General Election contributions or expenditures during the reporting period. The 2018 12 Day Pre-General Report, covering the period of October 1, 2018 through October 17, 2018, was due on October 25, 2018.

On December 6, 2018, the Committee filed the 2018 12 Day Pre-General Report, which disclosed a General Election contribution made by the Committee during the period. On March 14, 2019, the Commission found reason to believe the respondents violated 52 U.S.C. § 30104(a) for failing to timely file the 2018 Pre-General Report.

On April 3, 2019, the Committee filed an Amended 12 Day Pre-General Report which removed the General Election contribution that was disclosed on the original report. As such, the

Committee was only required to file a 2018 30 Day Post-General Report, covering the period of October 1, 2018 through November 26, 2018, by December 6, 2018. The Committee timely reported this activity. Therefore, RAD recommends that the Commission rescind the Final Determination of June 29, 2020, and subsequently take no further action and close the file.

Recommendations

1. Rescind the Final Determination (FD) of June 29, 2020 for AF# 3595 regarding Lockton Inc. Political Action Committee and Henry Bond, in his official capacity as Treasurer;
2. Take no further action in AF# 3595 that Lockton Inc. Political Action Committee and Henry Bond, in his official capacity as Treasurer, violated 52 U.S.C. § 30104(a) and close the file; and
3. Send the appropriate letter.
