SUBJECT: Reason To Believe Recommendation – 2020 Year-End Report for the Administrative Fine Program

Attached is a list of political committees and their treasurers who failed to file the 2020 Year-End Report in accordance with 52 U.S.C. § 30104(a). The Year-End Report was due on January 31, 2021.

The committees listed in the attached RTB Circulation Report either failed to file the report, filed the report no more than thirty (30) days after the due date (considered a late filed report), or filed the report more than thirty (30) days after the due date (considered a non-filed report). In accordance with the schedule of civil money penalties for reports at 11 C.F.R. 111.43, these committees should be assessed the civil money penalties highlighted on the attached circulation report.

In order to determine the level of activity for unauthorized quarterly filers that filed a Year-End Report and were required to but failed to file the 30 Day Post-General Report, the Reports Analysis Division (RAD) used the following procedures and criteria:

- Every Year-End Report (YE) submitted by an unauthorized quarterly filer that covered the period from October 1, 2020 through December 31, 2020 (92 days) was reviewed for activity which would have required the filing of a 30 Day Post-General Report (30 Day Report). If our research indicated that a 30G was required, we utilized a three-step method to arrive at the activity on which to base the YE fine amount. First, we took the sum of all itemized receipts and disbursements that should have been disclosed on a YE that covered the period from November 24, 2020 through December 31, 2020 (38 days). Second, if the committee had any unitemized activity, a per diem level of this activity was calculated by multiplying the total amount of unitemized activity on the report by 41.30% (38 days (correct YE Filing Period)/92 days (submitted YE Filing Period)). Third, we took the sum of the amounts calculated in steps one and two to arrive at the level of activity assigned to the YE.

Recommendation

1. Find reason to believe that the political committees and their treasurers, in their official capacity, listed on the RTB Circulation Report violated 52 U.S.C. § 30104(a) and make a preliminary determination that the civil money penalties would be the amounts indicated on the RTB Circulation Report.

2. Send the appropriate letters.

Dear Mr. Stephens,

The Federal Election Campaign Act of 1971, as amended ("the Act"), requires that your committee file a Year-End Report of Receipts and Disbursements every calendar year. This report, covering the period October 1, 2020 through December 31, 2020, shall be filed no later than January 31, 2021. 52 U.S.C. § 30104(a). Because records at the Federal Election Commission ("FEC") indicate that you did not file this report within thirty (30) days of the due date, the report is considered not filed for the purpose of calculating the civil money penalty. You should file this report if you have not already done so.

The Act permits the FEC to impose civil money penalties for violations of the reporting requirements of 52 U.S.C. § 30104(a). 52 U.S.C. § 30109(a)(4). On April 5, 2021, the FEC found that there is reason to believe ("RTB") that Friends of Agatha and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) by failing to file timely this report on or before January 31, 2021. Based on the FEC's schedules of civil money penalties at 11 CFR § 111.43, the amount of your civil money penalty calculated at the RTB stage is $704. Please see the attached copy of the Commission's administrative fine regulations at 11 CFR §§ 111.30-111.55. Attachment 1. The Commission's website contains further information about how the administrative fine program works and how the fines are calculated. See https://www.fec.gov/af/pay.shtml 11 CFR § 111.34. Your payment of $704 is due within forty (40) days of the finding, or by May 15, 2021, and is based on these factors:

Sensitivity of Report: Not Election Sensitive
Level of Activity: $20,099
Number of Days Late: Not Filed
Number of Previous Civil Money Penalties Assessed: 0

At this juncture, the following courses of action are available to you:

1. If You Choose to Challenge the RTB Finding and/or Civil Money Penalty

If you should decide to challenge the RTB finding and/or calculated civil money penalty, you must submit a written response to the FEC's Office of Administrative Review. Your response must include the AF# (found at the top of page 1 under your committee's identification number) and be received within forty (40) days of the Commission's RTB finding, or May 15, 2021. 11 CFR § 111.35(a). Your written response must include the reason(s) why you are challenging the RTB finding and/or calculated civil money penalty and must include the factual basis supporting the reason(s) and supporting documentation. The FEC strongly encourages that documents be submitted in the form of affidavits or declarations. 11 CFR § 111.36(c).

Please note, the Federal Election Commission's office remains closed to visitors and most of its employees are continuing to telework in an effort to limit the spread of coronavirus (COVID-19). The Commission is processing some documents submitted by mail, though processing will not occur daily until the agency resumes normal mail operations. Nevertheless, a challenge to an RTB finding and/or calculated civil money penalty must be received on time. Thus, all written responses and supporting documentation should be converted to PDF (Portable Document Format) and must be emailed to administrativefines@fec.gov. The Commission encourages the use of electronic signatures on electronically submitted documents, but scanned copies of ink signatures will be accepted. Electronically submitted challenges will be deemed received on the date it is electronically received by staff.

The FEC will only consider challenges that are based on at least one of three grounds: (1) a factual error in the RTB finding; (2) miscalculation of the calculated civil money penalty by the FEC; or (3) your demonstrated use of best efforts to file in a timely manner when prevented from doing so by reasonably unforeseen circumstances that were beyond your control. 11 CFR § 111.35(b). For a challenge to be considered on the basis of best efforts, you must have filed the required report no later than 24 hours after the end of these reasonably unforeseen circumstances. Id. Examples of circumstances that will be considered reasonably unforeseen and beyond your control include, but are not limited to: (1) a failure of Commission computers or Commission-provided software despite your seeking technical assistance from Commission personnel and resources; (2) a widespread disruption of information transmissions over the Internet that is not caused by a failure of the Commission's or your computer systems or Internet service provider; and (3) severe weather or other disaster-related incident. 11 CFR § 111.35(c). Examples of circumstances that will not be considered reasonably unforeseen and beyond your control include, but are not limited to: (1) negligence; (2) delays caused by vendors or contractors; (3) treasurer and staff illness, inexperience or unavailability; (4) committee computer, software, or Internet service provider failures; (5) failure to know filing dates; and (6) failure to use filing software properly. 11 CFR § 111.35(d).

The "failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver" of your right to present such argument in a petition to the U.S. District Court under 52 U.S.C. § 30109. 11 CFR § 111.38.

If you intend to be represented by counsel, please advise the Office of Administrative Review. You should provide, in writing, the name, address and telephone number of your counsel and authorize counsel to receive notifications and communications relating to this challenge and imposition of the calculated civil money penalty.

2. If You Choose Not to Pay the Civil Money Penalty and Not to Submit a Challenge

If you do not pay the calculated civil money penalty and do not submit a written response, the FEC will assume that the preceding factual allegations are true and make a final determination that Friends of Agatha and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) and assess a civil money penalty.

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA"), as amended by the Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701 et seq. The FEC may take any and all appropriate action authorized and required by the DCA, as amended, including transfer to the U.S. Department of the Treasury for collection. 11 CFR § 111.51(a)(2).

3. If You Choose to Pay the Civil Money Penalty

If you should decide to pay the calculated civil money penalty, follow the payment instructions on page 4 of this letter. Upon receipt of your payment, the FEC will send you a final determination letter.

NOTICE REGARDING PARTIAL PAYMENTS AND SETTLEMENT OFFERS

4. Partial Payments

If you make a payment in an amount less than the calculated civil money penalty, the amount of your partial payment will be credited towards the full civil money penalty that the Commission assesses upon making a final determination.

5. Settlement Offers

Any offer to settle or compromise a debt owed to the Commission, including making a payment in an amount less than the calculated civil money penalty assessed or any restrictive endorsements contained on your check or money order or proposed in correspondence transmitted with your check or money order, will be rejected. Acceptance and deposit or cashing of such a restricted payment does not constitute

acceptance of the settlement offer. Payments containing restrictive endorsements will be deposited and treated as a partial payment towards the civil money penalty that the Commission assesses upon making a final determination. All unpaid civil money penalty amounts remaining will be subject to the debt collection procedures set forth in Section 2, above.

This matter was generated based on information ascertained by the FEC in the normal course of carrying out its supervisory responsibilities. 52 U.S.C. § 30109(a)(2). Dear Mr. Stephens,

On April 5, 2021, the Federal Election Commission ("the Commission") found reason to believe ("RTB") that Friends of Agatha and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) for filing late or failing to file the 2020 Year-End Report. By letter dated April 20, 2021, the Commission notified you of the RTB finding and the preliminary civil money penalty calculated at the RTB stage to be $704 in accordance with the schedule of penalties at 11 CFR § 111.43. Please note that you must file the Year-End Report in the appropriate format if you have not already done so for your report to be considered filed.

Since that time, the amount of the civil money penalty has been changed to reflect the actual level of activity disclosed in the miscellaneous document dated November 9, 2021. The FEC made a final determination on December 2, 2021 that Friends of Agatha and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a), assessed no civil money penalty in accordance with 11 CFR § 111.43, and voted to close the file.

The confidentiality provisions at 52 U.S.C. § 30109(a)(12) no longer apply and this matter is now public. Pursuant to 11 CFR §§ 111.42(b) and 111.20(c), the file will be placed on the public record within thirty (30) days from the date of this notification.

If you have any questions regarding this matter, please contact Jamie Sikorsky on our toll free number (800) 424-9530 (at the prompt press 5) or (202) 694-1130.

On behalf of the Commission,
