Kevin Kitchen, in official capacity as Treasurer Greg Lirette for Congress P.O. Box 15000 New Orleans, LA 70115

C00765347 AF#: 4419

Dear Kevin Kitchen,

The Federal Election Campaign Act of 1971, as amended ("the Act"), requires that your committee file an October Quarterly Report of Receipts and Disbursements every calendar year. This report, covering the period July 1, 2022 through September 30, 2022, shall be filed no later than October 15, 2022. 52 U.S.C. § 30104(a). Because records at the Federal Election Commission ("FEC") indicate that this report was not filed within thirty (30) days of the due date, the report is considered not filed for the purpose of calculating the civil money penalty. You should file this report if you have not already done so.

The Act permits the FEC to impose civil money penalties for violations of the reporting requirements of 52 U.S.C. § 30104(a). 52 U.S.C. § 30109(a)(4). On December 8, 2022, the FEC found that there is reason to believe ("RTB") that Greg Lirette for Congress and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) by failing to file timely this report on or before October 15, 2022. Based on the FEC's schedules of civil money penalties at 11 C.F.R. § 111.43, the amount of your civil money penalty calculated at the RTB stage is \$16,096. Please see the attached copy of the Commission's administrative fine regulations at 11 C.F.R. §§ 111.30-111.55. Attachment 1. The Commission's website contains further information about how the administrative and how the fine program works fines are calculated. See https://www.fec.gov/af/pay.shtml 11 C.F.R. § 111.34. Your payment of \$16,096 is due within forty (40) days of the finding, or by January 17, 2023, and is based on these factors:

Sensitivity of Report: Not Election Sensitive Level of Activity: \$144,587 Number of Days Late: Not Filed Number of Previous Civil Money Penalties Assessed: 5

At this juncture, the following courses of action are available to you:

The Commission the use of electronic encourages signatures on electronically submitted documents, but scanned copies of ink signatures will be accepted. Electronically submitted challenges will be deemed received on the date they are electronically received by staff.

The FEC will only consider challenges that are based on at least one of three grounds: (1) a factual error in the RTB finding; (2) miscalculation of the calculated civil money penalty by the FEC; or (3) your demonstrated use of best efforts to file in a timely manner when prevented from doing so by reasonably unforeseen circumstances that were beyond your control. 11 C.F.R. § 111.35(b). For a challenge to be considered on the basis of best efforts, you must have filed the required report no later than 24 hours after the end of these reasonably unforeseen circumstances. Id. Examples of circumstances that will be considered reasonably unforeseen and beyond your control include, but are not limited to: (1) a failure of Commission computers or Commission-provided software despite your seeking technical assistance from Commission personnel and resources; (2) a widespread disruption of information transmissions over the Internet that is not caused by a failure of the Commission's or your computer systems or Internet service provider; and (3) severe weather or other disaster-related incident. 11 C.F.R. § 111.35(c). Examples of circumstances that will not be considered reasonably unforeseen and beyond your control include, but are not limited to: (1) negligence; (2) delays caused by vendors or contractors; (3) treasurer and staff illness, inexperience or unavailability; (4) committee computer, software, or Internet service provider failures; (5) failure to know filing dates; and (6) failure to use filing software properly. 11 C.F.R. § 111.35(d).

The "failure to raise an argument in a timely fashion during the administrative process shall be deemed a waiver" of your right to present such argument in a petition to the U.S. District Court under 52 U.S.C. § 30109. 11 C.F.R. § 111.38.

You should provide, in writing, the name, address, and telephone number of your counsel and authorize counsel to receive notifications and communications relating to this challenge and imposition of the calculated civil money penalty.

2. If You Choose Not to Pay the Civil Money Penalty and Not to Submit a Challenge

If you do not pay the calculated civil money penalty and do not submit a written response, the FEC will assume that the preceding factual allegations are true and make a final determination that Greg Lirette for Congress and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) and assess a civil money penalty.

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA"), as amended by the Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, *et seq.* The FEC may take any and all appropriate action authorized and required by the DCA, as amended, including transfer to the U.S. Department of the Treasury for collection. 11 C.F.R. § 111.51(a)(2).

3. If You Choose to Pay the Civil Money Penalty

If you should decide to pay the calculated civil money penalty, follow the payment instructions on page 4 of this letter. Upon receipt of your payment, the FEC will send you a final determination letter.

NOTICE REGARDING PARTIAL PAYMENTS AND SETTLEMENT OFFERS

4. Partial Payments

If you make a payment in an amount less than the calculated civil money penalty, the amount of your partial payment will be credited towards the full civil money penalty that the Commission assesses upon making a final determination.

5. Settlement Offers

Any offer to settle or compromise a debt owed to the Commission, including making a payment in an amount less than the calculated civil money penalty assessed or any restrictive endorsements contained on your check or money order or proposed in correspondence transmitted with your check or money order, will be rejected. Acceptance and deposit or cashing of such a restricted payment does not constitute acceptance of the settlement offer. All unpaid civil money penalty amounts remaining will be subject to the debt collection procedures set forth in Section AF441900021

AF#: 4419 FINE: \$16,096

Dear Kevin Kitchen,

On December 8, 2022, the Federal Election Commission (the "Commission" or "FEC") found reason to believe ("RTB") that Greg Lirette for Congress and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) for filing late or failing to file the 2022 October Quarterly Report. By letter dated December 9, 2022, the Commission notified you of the RTB finding and the civil money penalty calculated at the RTB stage to be \$16,096, in accordance with the schedule of penalties at 11 C.F.R. § 111.43. Within forty (40) days of the Commission's RTB finding, you, in your official capacity as treasurer, were required to either transmit payment of the calculated civil money penalty or submit a written response challenging either the RTB finding or the calculated civil money penalty. You must also file the October Quarterly Report if you have not already done so.

The FEC did not receive payment of the calculated civil money penalty or a written response within the time permitted. The Commission made a final determination on July 10, 2023 that Greg Lirette for Congress and you, in your official capacity as treasurer, violated 52 U.S.C. § 30104(a) and assessed a civil money penalty in the amount of \$16,096, in accordance with 11 C.F.R. § 111.43. The civil money penalty is based on these factors:

Election Sensitivity of Report: Not Election Sensitive Level of Activity: \$144,587 Number of Days Late: Not Filed Number of Previous Civil Money Penalties Assessed: 5

At this juncture, the following courses of action are available to you:

1. If You Choose to Appeal the Final Determination and/or Civil Money Penalty

If you choose to appeal the final determination, you must submit a written petition, within thirty (30) days of receipt of this letter, to the U.S. District Court for the district in which the committee or you reside or transact business, requesting that the final determination be modified or set aside. See 52 U.S.C. § 30109(a)(4)(C)(iii). If you did not timely raise a factual argument in a challenge to the Commission's RTB finding, your right to present such an argument in an appeal to the U.S. District Court under 52 U.S.C. § 30109 shall be deemed waived. 11 C.F.R. § 111.38.

2. If You Choose Not to Pay the Civil Money Penalty and Not to Appeal

Unpaid civil money penalties assessed through the Administrative Fine regulations will be subject to the Debt Collection Act of 1982 ("DCA"), as amended by the Debt Collection Improvement Act of 1996 ("DCIA"), 31 U.S.C. § 3701, et seq. If you do not pay this debt within thirty (30) days and do not appeal the Commission's final determination to the U.S. District Court (see above), the Commission will transfer the debt to the U.S. Department of the Treasury ("Treasury") for collection. Treasury will contact you to request payment within five (5) days of the receiving the debt. Treasury currently charges a fee of 30% of the civil money penalty amount for its collection services. If the age of the debt is greater than or equal to two years old, Treasury will charge a fee of 32% of the civil money penalty amount for its collection services. The fee will be added to the amount of the civil money penalty that you owe. Should Treasury's attempts fail, Treasury will refer the debt to a private collection agency. If the debt remains unpaid, Treasury may recommend that the Commission refer the matter to the Department of Justice for litigation.

Actions which may be taken to enforce recovery of a delinquent debt by Treasury may also include: (1) offset of any payments, which the debtor is due, including tax refunds and salary; (2) referral of the debt to agency counsel for litigation; (3) reporting of the debt to a credit bureau; (4) administrative wage garnishment; and (5) reporting of the debt, if discharged, to the IRS as potential taxable income. In addition, under the provisions of DCIA and other statutes applicable to the FEC, the debtor may be subject to the assessment of other statutory interest, penalties, and administrative costs.

In accordance with the DCIA, at your request, the agency will offer you the opportunity to inspect and copy records relating to the debt, the opportunity for a review of the debt, and the opportunity to enter into a written repayment agreement.

3. If You Choose to Pay the Civil Money Penalty

If you decide to pay the civil money penalty, please follow the payment instructions below. You should make payment within thirty (30) days of receipt of this letter.

If you make a payment in an amount less than the civil money penalty, the amount of your partial payment will be credited towards the full civil money penalty that the Commission assessed upon making a final determination.

Settlement Offers

Any offer to settle or compromise a debt owed to the Commission will be rejected. This includes a payment in an amount less than the civil money penalty assessed or any restrictive endorsements contained on your check or money order or proposed in correspondence transmitted with your check or money order. Acceptance and deposit or cashing of such a restricted payment does not constitute acceptance of the settlement offer. Payments containing restrictive endorsements will be deposited and treated as a partial payment towards the civil money penalty that the Commission assessed upon making a final determination. All unpaid civil money penalty amounts remaining will be subject to the debt collection procedures set forth in Section 2, above.

The confidentiality provisions at 52 U.S.C. § 30109(a)(12) no longer apply and this matter is now public. Pursuant to 11 C.F.R. §§ 111.42(b) and 111.20(c), the file will be placed on the public record within thirty (30) days from the date of this notification.
