

FEDERAL ELECTION COMMISSION
Washington, DC 20463

Mary Kay Scullion, Esq.
Attorney at Law
325 Barlett Street
Lansing, MI 48915

November 2, 2000

Dear Ms. Scullion:

Thank you for your letter and for enclosing the completed "Commitment to Submit Matter to ADR Program" form. We have reviewed your case, MUR 4923, and accepted it for processing in the FEC's ADR program.

The first phase of the program is the negotiation stage. If you have not already been selected, we suggest that the "Byrum for Congress" Committee designate a representative-(s) with authority to engage in negotiations on behalf of the Committee and with authorization to settle the matter under discussion. The objective of the negotiations, during which I will represent the FEC, will be to achieve a mutually agreeable settlement of the complaint. Our aim during the negotiations will be to assist the Committee in correcting the behavior that led to the complaint and in so doing promote compliance with the Federal Election Campaign Act ("FECA").

After you receive this letter, you or the designated representative-(s) of the Committee should be in touch with this office to select a day and time for the negotiations. While we would welcome the opportunity to sit down in Washington, D.C., with the Committee's representative-(s) to negotiate an agreement, we are prepared to address this matter and work to resolve it over the phone. Please let us hear from you within the next two weeks so that we may concur in the day, time and place for our negotiations. We anticipate that the negotiations will take no more than a few hours.

In the event that we are unable to arrive at a settlement of this matter, we will proceed by mutual agreement to Mediation. The Mediation process is described in the material that accompanied our initial letter. If we proceed to Mediation, we will submit 3 names from a list of 15 Mediators who were selected, based on their extensive experience in the private sector, to serve on a panel especially prepared to handle FECA disputes. To assist you in selecting the Mediator for your case, the names of the panel members will be accompanied by brief biographical sketches. While the Mediators are prepared to assist us in resolving this matter, they neither have the authority or inclination to resolve it for us. That is a matter entirely in our hands.

If you have any questions about the ADR program or the above procedures please let us hear from you.

Sincerely,

Allan D. Silberman,
Director, ADR Office
