FEDERAL ELECTION
COMMISSION
DEC 11 2000

Mr. Allan Silberman, Director, ADR Office
Federal Elections Commission
Washington, DC 20463

RE: ADR 001
MUR 4923
Case Name: Byrum for Congress Committee

VIA: Facsimile and First Class Mail

Dear Mr. Silberman:

Attached is signed ^{the} Negotiated Settlement in the above referenced matter.

The only item needing clarification, and I assume that it not necessary to do so in the document itself, is to clarify that the compliance of Respondent with the provisions of item no. 5 relative to attendance at a seminary and one-on-one briefing session with Commission staff, will not occur within the 20 day deadline specified in item no. 7. It is our expectation that the civil penalty of \$1850 would be paid within the 20 day time deadline.

To ensure compliance with the 20 day time deadline, we would appreciate immediate notification of the date of the Commission's approval.

That your for assistance with this matter.

Sincerely,

Mary Kay Scullion, Esq.
Counsel for Byrum for Congress Committee
