March 7, 2001

Eric E. Doster, Esq.

Lansing, MI 48933

Dear Eric:

Enclosed are two signed agreements between the Federal Election Commission (FEC) and your clients -- the Rogers for Congress Committee (Negotiated Settlement ADR 009-A) and Jerry, Todd and Scott Spittler (Negotiated Settlement ADR 009-B). These agreements, which were approved by the Federal Election Commission at its meeting on March 6, 2001-- the effective date of the agreements -- resolve the case first brought to their attention as MUR 4984.

As you are aware, the settlement agreements along with documents exchanged between your office and the FEC, prior to the commencement of negotiations, will be made part of the record that is released to the public. The Commission is obliged by Federal statute to make public all settlement agreements. Accordingly, the file on this case, including the above mentioned documents, will be forwarded later this month to the FEC's Public Information Office.

We look forward to receiving the payments noted in paragraphs five (5) of each agreement within the next twenty (20) days. Please have the payments made payable to the Federal Election Commission. We will forward to your office the schedule, as soon as it is available, for the FEC's sponsored seminars so your clients may arrange for their participation in accordance with the provisions in paragraph 5 of agreement ADR 009-A.

This agreement effectively resolves the issues raised in the complaint filed against the respondents, noted in paragraph one of this letter.

I appreciate your assistance in resolving these matters and helping to bring these cases to a mutually satisfactory conclusion.

Sincerely,

A handwritten signature in black ink, appearing to read "Allan D. Silberman". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Allan D. Silberman,
Director, ADR Office
