Re: ADR 011  
Illinois Senate Victory Fund

Dear Mr. Lamb:

The Alternative Dispute Resolution Office ("ADRO") at the Federal Election Commission received the Commitment to Submit Matter to ADR Program and Designation of Counsel from the Illinois Senate Victory Fund. All communications from the ADRO will be directed to your attention as counsel for the Committee. Following review of the referral from the Reports Analysis Division, the ADRO determined that this matter is appropriate for resolution utilizing Alternative Dispute Resolution ("ADR"), and it will be processed accordingly.

Please provide any response the Committee would like to make, including proposed stipulations to resolve the matter, as well as any amended reports required, within 10 business days of receipt of this letter. In the event the Committee wishes to make a response to be placed on the public record at the conclusion of the case, please provide that in a brief summary format separate from any communication directed to resolve the dispute. If you'd like to provide some dates and times when you'd be available to discuss this matter in detail, I will then review my calendar, so that a time can be scheduled.

Sincerely,

A handwritten signature in cursive script that reads "Lynn M. Fraser".
