Re: ADR 012  
District 1199C National Union of Hospital & Health Care Employees  
Political Action Fund

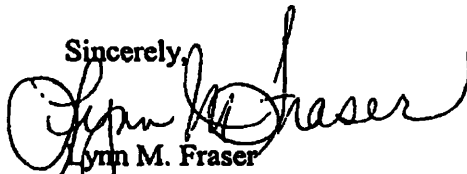

Dear Mr. Lenhard:

The Alternative Dispute Resolution Office ("ADRO") at the Federal Election Commission received the change of designation of counsel or representative from the District 1199C National Union of Hospital & Health Care Employees Political Action Fund ("Committee"). All communications from the ADRO will be directed to your attention as counsel for the Committee from this point forward. Former counsel, Gail Lopez-Henriquez, indicated that she forwarded to you my January 23, 2001 confirmation of ADR processing, but I attach a copy for ease of reference.

The ADRO has not received any communication from the Committee, or your office, regarding resolution of this case. A speedy resolution to cases is one of the main objectives of this program, and thus we need to schedule a time to confer and see if agreement can be reached. If you'd like to provide some dates and times when you'd be available to discuss this matter in detail, along with your client's proposed stipulations or terms of agreement, I will then review my calendar.

I look forward to hearing from you.

Sincerely,

  
Lynn M. Fraser  
Assistant Director, ADR Office
