RE: MUR 5116 -- Committee to Elect Ed O'Brien

Dear Ms. Smith:

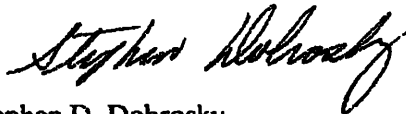

The attached Complaint for violation of the Code of Federal Regulations by the Robert Casey, Jr. for Auditor General Committee was received by our office on Wednesday, October 25, 2000. It indicates that the Robert Casey, Jr. for Auditor General Committee gave an excess contribution that exceeded the annual amount of federal expenditures allowable by a state committee.

The Committee to Elect Ed O'Brien was not initially aware that the Casey Committee for Auditor General exceeded the annual federal expenditure limit. Upon further investigation, the Committee realized this was an error and promptly returned the contribution in question. (Copy of our canceled check is attached )

Our Committee had no intention to disregard the rules and regulations of the Federal Election Commission, and took immediate action to remedy the violation

We request that no further action be taken against the Committee to Elect Ed O'Brien and that the Committee be absolved from any Federal Election Commission violation

Very truly yours,

Stephen D. Dobrosky  
Treasurer
