RE: MUR 5093

Dear Mr. Jordan:

It has been some three months since my complaint submission and two-and-a-half months since your reply in the above-referenced matter. I am now inquiring as to the status of the investigation, having heard nothing to date.

On the basis of my reading of the description of the Commission's procedures, I am unable to discern whether the investigative procedures may in fact be underway, or have yet to commence. Be that as it may, would you be so kind as to provide me with a status report? A brief email to the above-noted address would suffice, if you choose. Thank you.

Sincerely,

John C. LeMenager
