Treasurer (C00612820)

The Reports Analysis Division (RAD) referred RAD 21L-38 for processing on June 10, 2021, and the ADR Office designated the referral ADR 1030. This office intends to notify Respondents after five business days. If you have any questions or concerns, please contact the ADR Office.

Summary of Case: RAD referred Community Change Voters and Jeff Berman, Treasurer (Respondents or the Committee) for failing to timely file one (1) 24-Hour Report to support one (1) independent expenditure totaling \$150,000 disclosed on the Amended 12-Day Pre-General Report.

In a Form 99 (Miscellaneous Electronic Submission) filed on March 15, 2021, the Committee acknowledged that it failed to timely file the 24-Hour Report and further stated that the error arose as a result of an internal miscommunication regarding the portion of the expenditure allocated to each respective candidate. In addition, the Committee stated that it has identified deficiencies in its internal communications and has taken steps to improve its processes to ensure timely and accurate communication about independent expenditure activity in the future.
