II. RELEVANT STATUTE: 52 U.S.C. § 30104(c)
52 U.S.C. § 30104(g)(1)
52 U.S.C. § 30104(g)(2)
11 CFR § 109.10

III. BACKGROUND:

Independent Expenditure Reporting Problems – Persons Other Than Political Committees (Form 5) (Failure to File 48-Hour Reports)

Action For A Progressive Future (“Progressive Future”) failed to file one (1) 48-Hour Report to support two (2) independent expenditures totaling \$101,701.46 disclosed in the 2020 October Quarterly Report and five (5) 48-Hour Reports to support thirty two (32) independent expenditures totaling \$56,706.43 disclosed in the 2020 Year-End Report, made during the reporting period up to and including the 20th day before the 2020 General Election (Attachment 2).

2020 October Quarterly Report

On October 15, 2020, Progressive Future filed its 2020 October Quarterly Report covering the period from July 1, 2020 through September 30, 2020 (Image 202010159295077843). Schedule 5-E (Itemized Independent Expenditures) of the report disclosed two (2) independent expenditures totaling \$101,701.46, made in opposition to one (1) federal candidate (Image 202010159295077851).

On February 9, 2021, a Request for Additional Information (RFAI) was sent to Progressive Future referencing the 2020 October Quarterly Report. Among other items, the RFAI noted Progressive Future may have failed to file 48-Hour Reports for the two (2) independent expenditures disclosed on Schedule 5-E (Images 202102100300105215-18).

On March 19, 2021, the Reports Analysis Division (RAD) Analyst called Lori Leonard, reports filer for Progressive Future, to discuss the outstanding issues from the RFAI. She stated that she would notify Progressive Future of the issue and then provided a contact, Norman Solomon, from Progressive Future to contact directly (Attachment 3).

On March 20, 2021, Progressive Future filed a Miscellaneous Electronic Submission ("FEC Form 99") which stated in part,

"This was the first time that we ran an independent expenditure campaign. At the time we were unaware about the 48-hour reporting requirements. Once we found out about the reporting requirements, it was time to start filing 24-hour reports, so we did that starting the period covering 10/14/21. Again, we apologize not knowing about the 48-hour reports" (Image 202103209441822302).

On March 22, 2021, the RAD Analyst called Norman Solomon, National Director, to discuss the outstanding issues from the RFAI. The Analyst explained Progressive Future had not disclosed the two (2) independent expenditures on a 48-Hour Report prior to disclosing them on the 2020 October Quarterly Report. The Analyst stated the matter may be referred to another Commission office for potential further action. The Analyst acknowledged the receipt of the FEC Form 99 with their explanation (Attachment 3).

2020 Year-End Report

On February 1, 2021, Progressive Future filed its 2020 Year-End Report covering the period from October 1, 2020 through December 31, 2020 (Image 202102019424746206). Schedule 5-E of the report disclosed one hundred and one (101) independent expenditures totaling \$160,266.47, made in opposition to one (1) federal candidate (Images 202102019424746208-41).

On May 5, 2021, a Request for Additional Information (RFAI) was sent to Progressive Future referencing the 2020 Year-End Report. Among other items, the RFAI noted Progressive Future may have failed to file five (5) 48-Hour Reports for the thirty-two (32) independent expenditures disclosed on Schedule 5-E (Images 202105060300117862-67).

On June 9, 2021, Progressive Future filed an FEC Form 99 which stated, in part,

"At the time that the 48-hour reporting was due, we were unaware of the requirement (since it was our first time doing an IE). We apologize for the gap in reporting. Once we found out about the reporting requirements, it was already time to start filing 24-hour reports, so we did those 24-hour

reports starting the period covering 10/14/21” (Image 202106099448892741).

Independent Expenditure Reporting Problems – Persons Other Than Political Committees (Form 5) (Failure to Timely File 24-Hour Reports)

Progressive Future failed to timely file seventeen (17) 24-Hour Reports totaling \$28,083.42 to support nineteen (19) independent expenditures disclosed in the 2020 Year-End Report, made during the reporting period after the 20th day but more than 24 hours before day of the 2020 General Election (Attachment 2).

On February 1, 2021, Progressive Future filed its 2020 Year-End Report covering the period from October 1, 2020 through December 31, 2020 (Image 202102019424746206). Schedule 5-E of the report disclosed one hundred and one (101) independent expenditures totaling \$160,266.47, made in opposition to one (1) federal candidate (Images 202102019424746208-41).

On January 31, 2021, Progressive Future filed amended 24-Hour Reports to disclose an additional (19) independent expenditures totaling \$28,083.42 disseminated on October 15, 2020 through November 1, 2020 (Images 202101319418641239, 202101319418645567, 202101319418653500, 202101319418654064, 202101319418656071, 202101319418658175, 202101319418659061, 202101319418702823, 202101319418704791, 202101319423670246, 202101319423688556, 202101319423900443, 202101319423900689, 202101319424067974, and 202101319424073126).

On May 5, 2021, an RFAI was sent to Progressive Future referencing the 2020 Year-End Report. Among other items, the RFAI noted Progressive Future may have failed to timely file seventeen (17) 24-Hour Reports for the nineteen (19) independent expenditures disclosed on Schedule 5-E (Images 202105060300117862-67).

On June 9, 2021, Progressive Future filed a FEC Form 99 which stated in part,

“As mentioned in our previous correspondence, this was the first time we ran an independent expenditure campaign. We had originally thought the expenditures should be reported not until we were invoiced or we paid the invoice. The ads we paid for each day were included in the original 24-hour reports. But the texting that we had not been invoiced for (Scale to Win) was not included because we had not received an invoice for them. There was unfortunately some organizational confusion about the other expenditures, and we unintentionally failed to report these in a timely manner. Once we discovered that we should have reported them, we went back and did so” (Image 202106099448892741).

On July 8, 2021 the RAD Analyst called Mr. Solomon to notify him that based on the missing 48-Hour Reports and late filed 24-Hour Reports cited in the 2020 Year-
