- I. COMMITTEE: End Citizens United
C00573261
Kimberly Coleman, Treasurer
P.O. Box 66005
Washington, DC 20035
- II. RELEVANT STATUTE: 52 U.S.C. § 30104 (g)(2)
11 CFR § 104.4(b)(2)

III. BACKGROUND:

Failure to Provide Supporting Schedules (Failure to Timely File 48-Hour Reports)

End Citizens United (“the Committee”) failed to timely file three (3) 48-Hour Reports totaling \$74,516.12 supporting three (3) independent expenditures disclosed on the 2020 October Monthly Report, made up to and including the 20th day before the 2020 General Election (Attachment 2).

On October 20, 2020 the Committee filed its 2020 October Monthly Report, covering the period from September 1, 2020 through September 30, 2020. The report included a Schedule E (Itemized Independent Expenditures) disclosing sixty-one (61) independent expenditures totaling, \$2,696,989.47, made in support of or in opposition to sixteen (16) Federal candidates (Images 202010209298272698-728).

On February 8, 2021, a Request for Additional Information (RAI) was sent to the Committee referencing the 2020 October Monthly Report. Among other items, the RAI noted the Committee may have failed to file one (1) or more of the required 48-Hour Reports for independent expenditures disclosed in the report. A chart was included with the RAI identifying four (4) independent expenditures, totaling \$64,307.24, for which a

48-Hour Report had not been filed.¹ Additionally, the RFAI noted that the Committee may have failed to timely file one (1) or more 48-Hour Reports for independent expenditures disclosed in the report. A chart was included with the RFAI identifying three (3) independent expenditures, totaling \$61,604.55, for which a 48-Hour Report had not been timely filed. One (1) of these independent expenditures totaling \$20,534.85, is included in this referral (Images 202102090300104936-40, Attachment 2).

On March 15, 2021, the Committee filed an FEC Form 99 (Miscellaneous Electronic Submission) in response to the RFAI referencing the 2020 October Monthly Report. The Committee stated, in part:

“...you identified four independent expenditures for which the Committee failed to file a 48-hour notice. Three of these items were due to a software error. The database, NGP, timed out while filing. The Committee has taken steps to ensure timely filing in the future. One item, and Independent Expenditure paid to Tatango opposing Mitch McConnell, was timely reported on 8/19/20. The Committee originally reported an estimate of \$11,200 but the actual payment was \$5,705.97²” (Image 202103159440492381).

On the same day, the Committee filed an Amended 2020 October Monthly Report. This amendment corrected the dissemination date for one (1) independent expenditure opposing Mitch McConnell from the originally disclosed date of August 19, 2020 to the revised date of August 17, 2020. The amended report disclosed no other changes to Schedule E from the original report. Accordingly, the revised dissemination date on the Schedule E for this independent expenditure matched the dissemination date of the independent expenditure disclosed on the 48-Hour Report filed on August 19, 2020 (Images 202103159440523720-50 and 202008199261410205).

On July 7, 2021, the Reports Analysis Division (RAD) Analyst called Kimberly Coleman, the Committee’s Treasurer, to discuss the matter of the missing 48-Hour Reports questioned on the RFAI sent on February 8, 2021. The RAD Analyst explained that the matter would be referred to another Commission office for potential further action. The Analyst also noted the receipt of the FEC Form 99, filed on March 15, 2021, which explained how and why the 48-Hour Reports were not filed. The Analyst reminded Ms. Coleman that the Committee could add further information to the public record by

¹ The RFAI inadvertently included one (1) independent expenditure paid to “Tatango” in the amount of \$4,620.00, disseminated on September 30, 2020, made in support of “Biden, Joseph Jr.” The independent expenditure should not have been included in the RFAI, as the amount of the independent expenditure had not yet aggregated to the threshold to trigger the 48-Hour Reporting requirement.

² The independent expenditure disclosed on the 48-Hour Report filed on August 19, 2020 was confirmed to have been disclosed as an estimated amount. The actual amount of the independent expenditure, \$5,705.97, as reported on the Amended 2020 October Monthly Report, received March 15, 2021, is not included in the referral because it was included on a timely filed 48-Hour Report on August 19, 2020.

submitting another FEC Form 99. Ms. Coleman said that she understood, and that she would review the matter again and decide whether to add further information to the public record (Attachment 3).

On August 25, 2021, the RAD Analyst called Ms. Coleman regarding the independent expenditures that remained undisclosed on 48-Hour Reports. The Analyst left a voicemail and explained that while the Committee's FEC Form 99 had been received, the Committee should still file 48-Hour Reports to disclose the independent expenditures on the public record. The Analyst left his direct contact number and asked Ms. Coleman to call back as soon as possible to discuss the matter, as the matter could still be referred to another Commission office for potential further action (Attachment 3).

Ms. Coleman returned the RAD Analyst's call the same day, and after confirming with the Analyst which independent expenditures still required disclosure on 48-Hour Reports, Ms. Coleman confirmed that she would file the required outstanding 48-Hour Reports, which had been questioned on the RFAI referencing the 2020 October Monthly Report (Attachment 3).

On August 31, 2021, the RAD Analyst called Ms. Coleman to remind her to file the missing 48-Hour Reports. Ms. Coleman confirmed that she identified the independent expenditures to be included on 48-Hour Reports, and she said she was in the process of filing those reports. The Analyst reminded Ms. Coleman that the matter could still be referred to another Commission office for potential further action, and the Committee could add any further clarifying information to the public record by submitting an FEC Form 99 (Attachment 3).

On September 1, 2021, the Committee filed two (2) 48-Hour Reports supporting two (2) independent expenditures, totaling \$53,981.27, disseminated on September 3, 2020 and September 14, 2020 (Images 202109019466583380 and 202109019466583563).

To date, no further communications have been received from the Committee regarding this matter.
