Re: ADR 1070 (RAD 22L-01)
Nancy Mace for Congress and Paul Kilgore, Treasurer (C00710103)

Dear Paul Kilgore:

The Federal Election Commission (FEC or Commission) referred a compliance issue to the FEC's Alternative Dispute Resolution Office (ADR Office) for processing. The referral by the Reports Analysis Division (RAD) was based on a review of reports filed by Nancy Mace for Congress which reflect a possible failure to comply with the Federal Election Campaign Act of 1971, as amended.

The FEC established the ADR Program to provide an informal means for resolving matters that come before the Commission and to facilitate negotiations directly with Nancy Mace for Congress and Paul Kilgore, Treasurer (Respondents or the Committee). The ADR Program provides Respondents with an opportunity to negotiate settlement of a matter that is mutually agreeable. The negotiations occur prior to any Commission consideration of whether there is reason to believe a violation has occurred. If negotiations are successful, the resulting settlement would conclude the matter.

The Commission, in referring the matter to the ADR Office, determined that the case is eligible for processing in the ADR program. If Respondents decide to participate in the ADR Program, you must: 1) indicate in writing a willingness to have your case submitted for ADR processing; 2) agree to participate in the bilateral interest based negotiations; and 3) waive the statute of limitations while the matter is being processed under the FEC's ADR program.

The issues referred to the ADRO, and the focus of our subsequent negotiations are summarized as follows:

RAD referred Nancy Mace for Congress and Paul Kilgore, Treasurer (Respondents or the Committee) for failing to remedy excessive and prohibited 2020 Primary and General Election contributions totaling \$58,200 within the permissible timeframe. The Committee refunded these contributions outside the permissible timeframe.

In response to RAD, the Committee filed a Form 99 (Miscellaneous Electronic Submission) on September 6, 2019 and included additional memo text with its reports on September 21, 2020; December 7, 2020; and June 18, 2021 detailing its procedures for contributions that exceed a donor's contribution limit. In particular, the Committee states it attempts to reattribute excessive contributions, but if no response is received within 60 days, it processes a refund. Otherwise, the Committee states it processes refunds for contributions from apparent business entities that cannot be verified as contributions from non-corporate funds.

If after reviewing this letter and the enclosed ADR Frequently Asked Questions, which describe the ADR program, Respondent(s) would like to participate in ADR processing, you need to affirmatively indicate that on the enclosed Commitment to Submit Matter to ADR form. **Failure to respond affirmatively within fifteen (15) business days from the date of this letter will be taken as a notice of disinterest in the program and your case will be dropped from further consideration for ADR.** In that event, your case will be sent to the FEC's Office of General Counsel for further processing.

This matter has been designated as **ADR 1070**. Please refer to this number in future correspondence with the FEC. If you have questions about the ADR Program, please contact the ADRO at my direct dial as indicated below

Sincerely,

Joshua A. Rebollozo
