The Reports Analysis Division (RAD) referred RAD 23L-51 for processing on September 19, 2023, and the ADR Office designated the referral ADR 1139. This office intends to notify Respondents after five business days. If you have any questions or concerns, please contact the ADR Office.

**Summary of Case:** RAD referred United Rural Democrats of America and Amelia Johnson, Treasurer (Respondents or the Committee) for a series of reporting errors and other FECA violations during the 2021-2022 election cycle. A political committee may be referred if, after an internal review of reports filed by the committee, the Commission determines the reports do not meet the threshold requirements for substantial compliance with the FECA. The Committee's errors included, among other items: mathematical discrepancies, failure to provide supporting schedules, failure to properly itemize contributions from individuals, failure to properly itemize contributions and transfers from political committees, failure to properly itemize contributions and transfers to political committees, and failure to properly itemize disbursements, and two (2) Non-filer Notices (RQ-7s) for failure to file reports and late filing.
