III. BACKGROUND:

Failure to Provide Supporting Schedules (Failure to Disclose All Financial Activity)

McClellan for Congress (“the Committee”) failed to disclose all financial activity on its 2023 12-Day Pre-Special Report filed on February 9, 2023. On July 9, 2023, a [Request for Additional Information \(RFAI\)](#) was sent to the Committee referencing the Amended 2023 12-Day Pre-Special Report, received on March 23, 2023. The RFAI requested clarification regarding the substantial increase in disbursements disclosed in the Amended 2023 12-Day Pre-Special Report.

On August 17, 2023, the Committee filed an [FEC Form 99 \(Miscellaneous Electronic Submission\)](#) responding to the Amended 2023 12-Day Pre-Special Report RFAI, stating in part:

“Due to software issues, certain expenditures were not properly recorded and added to the committee's reporting software. Once the error was found, an amendment was filed on 03/23/2023 to properly reflect the correct disclosure of these operating expenditures. The Committee has taken additional steps to ensure that this does not happen again including increased frequency of data audits.”

Since July 10, 2023, the Reports Analysis Division (RAD) logged two (2) communications with the Committee which reflect efforts to help the Committee voluntarily comply with the Act. RAD spoke to the Treasurer, Scott Hubay, on August 16, 2023, notifying them that the matter would be referred to another office at the Commission for further review. RAD advised the Committee to file an FEC Form 99 to provide an explanation for the increase in disbursements (Attachment 2).

To date, no further communications have been received from the Committee regarding this matter.
