The Committee made efforts to rectify the excessive and impermissible general election contributions by disclosing refunds on its Amended 2022 October Quarterly and Amended 2022 Year End Reports. Further, on January 21, 2024, the Committee filed a Form 99 (Miscellaneous Electronic Submission) noting two clerical errors, which addressed the two (2) remaining contributions included in the referral. During negotiations, the Committee noted that it wishes to terminate its political committee status upon resolution of this matter.
