SUBJECT: Informational Memo on Assignment
ADR 1183 - Neighbors for Samuels and Andrew M. Minck,
Treasurer (C00807974)

The Reports Analysis Division (RAD) referred RAD 24L-31 for processing on September 19, 2024, and the ADR Office designated the referral ADR 1183. This office intends to notify Respondents after five business days. If you have any questions or concerns, please contact the ADR Office.

Summary of Case: RAD referred Neighbors for Samuels and Andrew Minck, Treasurer, (Respondents or the Committee) for failing to remedy excessive 2022 primary election contributions totaling \$13,800 and for failing to remedy contributions designated for the 2022 general election totaling \$59,220 within the permissible timeframes. No additional corrective action is required.

On January 22, 2024, the Committee filed a Form 99 (Miscellaneous Electronic Submission) stating there were extenuating circumstances in the weeks leading up to the August 2022 primary election, including changes in Committee staff shortly before the election. The Committee further stated it remedied the contributions.
