The contributions that exceed limits as a result of duplicate contacts will be refunded and reported as such on the October Quarterly Report (07/01/23 - 09/30/23) due 10/15/2023.

The contributions referenced in section two of your letter were confirmed as permissible and notes were added to the contributions. The disclosed foreign address related to these contributions was due to a data entry error and corrected on subsequent reports to properly disclose the correct United States address. These corrections will be reported on the forthcoming amendments to be filed.

Finally, the referenced disbursement to Clara LaFleur in section three of your letter has been correctly updated and the committee plans to file an amended July Quarterly Report (04/01/2022 - 06/30/2022) soon. The remaining disbursements listed in section three correspond to contributions made 3/25/22 originally reported on the April Quarterly Report (01/01/2022 - 04/15/2022) filed on 04/15/2022.”

In accordance with FEC rules, the contributions referenced in section one of your letter have either been refunded and reported as such on subsequent reports. Due to the committee’s wind down process and expectant vendor refunds, the committee is awaiting the funds to close out all final disbursements. On March 26, 2024, the Committee filed an [FEC Form 99](#) which stated,

“The Committee issued refunds for all excessive duplicates by September 8, 2023. Consistent with the Committee’s RFAI responses, the refunds appeared on the October 2023 Quarterly report. The delay in refunds was caused due to a transition to a new data entry software.”

On August 21, 2024, the Committee filed another [FEC Form 99](#) which stated,

“The Committee issued a final refund for excessive contributions to Michael Berger on August 13, 2024. This \$250 refund appears on the Termination report.

All other refunds, including \$100 to Michael A. Blake and \$150 to Carolyn S. Zisser, were reported on the October 2023 Quarterly report as part of the unitemized total on the refund line.”

Since July 22, 2022, RAD logged fourteen (14) communications with a representative of the Committee which reflect efforts to help the Committee voluntarily comply with the Act. RAD was able to successfully connect with the Committee on eight (8) of these occasions and notified the Committee that the untimely refunded excessive and prohibited contributions would be referred to another Commission office for further review (Attachment 2).¹

Filings and correspondence related to the Committee can be found here: [Val Demings for U.S. Senate](#). To date, no further communications have been received from the Committee regarding this matter.

¹ In response to the Committee’s request for termination, RAD clarified that the Committee could not terminate until the Commission review and processing of the referable matter is concluded.
