Re: ADR 1189 (24L-39)
One APIA PAC and Eric Jeng, Treasurer (C00761072)

Dear Mr. Marshall:

Enclosed is the signed copy of the Negotiated Settlement resolving the above-shown matter. The Negotiated Settlement was approved by the Commission on March 12, 2025 – the effective date of the agreement.

Note the specific time frames for compliance detailed in the agreement. Please forward to this office, a statement confirming Respondent's compliance with each term. The letter should note the dates on which Respondents satisfied each of the terms and contain the ADR case number. For your convenience, a compliance chart is attached.

Under the terms of the agreement, a civil penalty in the amount of \$12,700 is due on April 14, 2025. Kindly review the attached payment instructions for details on payment methods and the collection of unpaid debts.

As you are aware, the Negotiated Settlement will be made part of the record that is released to the public. The Commission will also place on the record copies of the complaint/referral, correspondence exchanged between your office and this office prior to our negotiations, and reports prepared for the Commission by this office to assist in its consideration of this matter. The Commission is obliged by Federal statute to place on the public record documents in closed enforcement and alternative dispute resolution cases; accordingly, copies of documents relative to this matter will be forwarded shortly to the FEC's Public Records Office.

This agreement resolves this matter. I appreciate your assistance in effectively resolving this matter and bringing the case to a mutually acceptable conclusion.

Sincerely,

Rosa Marshall

Rosa Marshall
Assistant Director
Alternative Dispute Resolution Office

ADRO Civil Penalty Payment Instructions

You may remit payment by credit card, debit card, or ACH withdrawal from your bank account through Pay.gov, the federal government's secure portal for online collections. Visit www.fec.gov/adrpayment to be directed to Pay.gov's FEC ADR Payment form.

Unpaid Civil Penalties

Unpaid civil money penalties will be subject to the Debt Collection Act of 1982 ("DCA") as amended by the Debt Collection Improvement Act of 1996 ("DCIA"), 31 U.S.C. § 3701 et seq. If you do not pay this debt within 30 days (or file a written petition to a federal district court - see below), the Commission will transfer the debt to the U.S. Department of the Treasury ("Treasury") for collection. Within 5 days of the transfer to Treasury, Treasury will contact you to request payment. Treasury currently charges a fee of 30% of the civil money penalty amount for its collection services. If the age of the debt is greater than or equal to two years old, Treasury will charge a fee of 32% of the civil money penalty amount for its collection services. The fee will be added to the amount of the civil money penalty that you owe. Should Treasury's attempts fail, Treasury will refer the debt to a private collection agency ("PCA"). If the debt remains unpaid, Treasury may recommend that the Commission refer the matter to the Department of Justice for litigation.

Actions which may be taken to enforce recovery of a delinquent debt by Treasury may also include: (1) offset of any payments, which the debtor is due, including tax refunds and salary; (2) referral of the debt to agency counsel for litigation; (3) reporting of the debt to a credit bureau; (4) administrative wage garnishment; and (5) reporting of the debt, if discharged, to the IRS as potential taxable income. In addition, under the provisions of DCIA and other statutes applicable to the FEC, the debtor may be subject to the assessment of other statutory interest, penalties, and administrative costs.

In accordance with the DCIA, at your request, the agency will offer you the opportunity to inspect and copy records relating to the debt, the opportunity for a review of the debt, and the opportunity to enter into a written repayment agreement.

Case Number: ADR 1189

Case Name: One APIA PAC

NEGOTIATED SETTLEMENT

This matter was initiated by the Federal Election Commission (FEC or the Commission) pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. Following review of the matter, and in an effort to promote compliance with the Federal Election Campaign Act of 1971, as amended, (FECA) and resolve this matter, the Commission entered into negotiations with Austin T. Marshall, Esq., representing One APIA PAC and Eric Jeng, in the official capacity of Treasurer (the Committee or Respondents). It is understood that this settlement will have no precedential value relative to any other matters coming before the Commission.

Negotiations between the Commission and Respondents addressed the issues raised in this referral. The parties agree to resolve the matter according to the following terms:

1. The Commission enters into this settlement as part of its responsibility for administering the FECA, and in an effort to promote compliance on the part of Respondents. The Commission's use of alternative dispute resolution procedures (ADR) is guided by "The Administrative Dispute Resolution Act of 1996," 5 U.S.C. § 572 and is an extension of 52 U.S.C. § 30109.
2. Respondents voluntarily enter into this settlement with the Commission.
3. The Reports Analysis Division (RAD) referred Respondents for failing to timely file three (3) 24-Hour Reports to support nine (9) independent expenditures, totaling \$126,893.35, disclosed on the 2020 Year-End Report. These independent expenditures were disseminated between October 16, 2020 and October 23, 2020, and the Committee filed 24-Hour Reports on November 16, 2020 and August 23, 2024, to support these expenditures.
4. RAD also referred Respondents for failing to timely file two (2) 24-Hour Reports to support four (4) independent expenditures, totaling \$42,424.56, disclosed on the Amended 2022 Year-End Report. These independent expenditures were disseminated between October 20, 2022 and November 4, 2022. On November 5, 2022, and August 23, 2024, the Committee filed 24-Hour Reports to support these expenditures.¹

¹ RAD's referral cited the Respondents' failure to timely file two (2) 24-Hour Reports to support five (5) independent expenditures, totaling \$92,424.56, disclosed on the Amended 2022 Year-End Report. At the time the 24-Hour Reports were due, Committee staff did not have the access necessary to electronically file reports. In an attempt to timely disclose expenditures, on November 5, 2022, the Committee submitted a 24-Hour Report via email to support \$50,000 of these expenditures. Therefore, for the purposes of this settlement, the amount in violation is reduced to \$42,424.56 to reflect only those expenditures for which Respondents agree were not timely disclosed.

5. A person, including a political committee, that makes or contracts to make independent expenditures aggregating \$1,000 or more after the 20th day, but more than 24 hours, before the date of an election shall file a report describing the expenditures within 24 hours. 52 U.S.C. § 30104(g)(1); 11 C.F.R. § 104.4(c).
6. Respondents state that the failure to timely file 24-Hour Reports during the 2020 election cycle was due to an inexperienced treasurer not fully understanding independent expenditure reporting requirements. The Committee states that during the 2022 election cycle, the newly retained treasurer did not have the electronic filing access necessary to update its Statement of Organization or file reports. The Committee contacted the Commission for guidance and password assistance in November 2022. The Committee has since filed all 24-Hour Reports, albeit untimely, and hired a new treasurer and counsel to ensure compliance with all future reporting requirements.
7. Respondents, in an effort to avoid similar errors in the future, agree to:
 - a. develop and certify the implementation and distribution of a policy document to be provided to all staff and compliance vendors detailing independent expenditure reporting procedures to ensure timely and accurate reporting within one hundred twenty (120) days of the effective date of this settlement;
 - b. certify that a representative of the Committee participated in an FEC conference, webinar, or other program developed in consultation with the FEC's Information Division within twelve (12) months of the effective date of this settlement; and
 - c. pay a civil penalty of \$12,700 within thirty (30) days of the effective date of this settlement.
8. Respondents agree that all information provided to resolve this matter is true and accurate to the best of their knowledge and that they sign this settlement under penalty of perjury pursuant to 28 U.S.C. § 1746.
9. The parties agree that if Respondents fail to comply with the terms of this settlement, the Commission may undertake civil action in the U.S. District Court for the District of Columbia to secure compliance. Unpaid civil money penalties are subject to the Debt Collection Act of 1982 as amended by the Debt Collection Improvement Act of 1996 (DCIA), 31 U.S.C. § 3701 et seq. The Commission will transfer debt to the United States Department of the Treasury (Treasury) for collection.
10. This settlement shall become effective on the date signed by all parties and approved by the Commission. Respondents shall comply with the terms of this settlement as set forth above and shall certify compliance with the above settlement terms in writing to the Alternative Dispute Resolution Office on or before the date each term becomes due.
11. This Negotiated Settlement constitutes the entire agreement between the parties on ADR 1189 (RAD 24L-39), and resolves those issues identified above. No other statement, promise or agreement, either written or oral, made by either party, not included herein, shall be enforceable.
