Re: MUR 8336
GrassoForCongress6 – Complaint by Patricia A. Davis

Dear Mr. King:

I am in receipt of Ms. Patricia Davis' Complaint dated October 31, 2024. In response, I made an error when filing the 2024 October quarterly report. I utilized a .dcf file that the committee had inadvertently activated but not used for past filings vs. my usual .dcf file located on my laptop. By doing so, this created an inaccurate accounting of the cash on hand and loan information.

On November 5, 2024, upon receiving notice by the FEC of Complaint MUR 8336, I realized the mistake. I contacted the Reports Analysis Division to help in correcting my error. Mr. Dobi of the Reports Analysis Division responded, acknowledging my error and directed me to contact the Electronic Filing Office for assistance.¹ After a few attempts via telephone and then email, I received a return call on December 3, 2024. Ms. Green of the Electronic Filing Office assisted in creating the report in the usual .dcf file.² In turn, I then filed an amendment to the report.³

Please note, there has been no new activity on our committee account since October 1, 2023. This account has only remained open due to the multiple complaints filed by Ms. Patricia Davis. Upon the closure of this complaint, the committee will file to close this account.

Sincerely,

Christen Korzyniewski
