TO: The Commission

THROUGH: Alec Palmer *AP*

FROM: Patricia C. Orrock *PCO*

Krista J. Roche *KJR*  
Director, ADR Office

SUBJECT: Recommendation to Dismiss  
ADR 1203 - GrassoforCongress6 and Christen Korzyniewski, Treasurer (C00799247) and Gary A. Grasso

The Office of General Counsel (OGC) transferred MUR 8336 to the Alternative Dispute Resolution Office (ADRO) on February 10, 2025, and the ADRO designated the matter as ADR 1203. The ADRO recommends the Commission exercise prosecutorial discretion and dismiss the matter. *Heckler v. Chaney* 470 U.S. 821 (1985). We include a summary and analysis of the matter for your review.

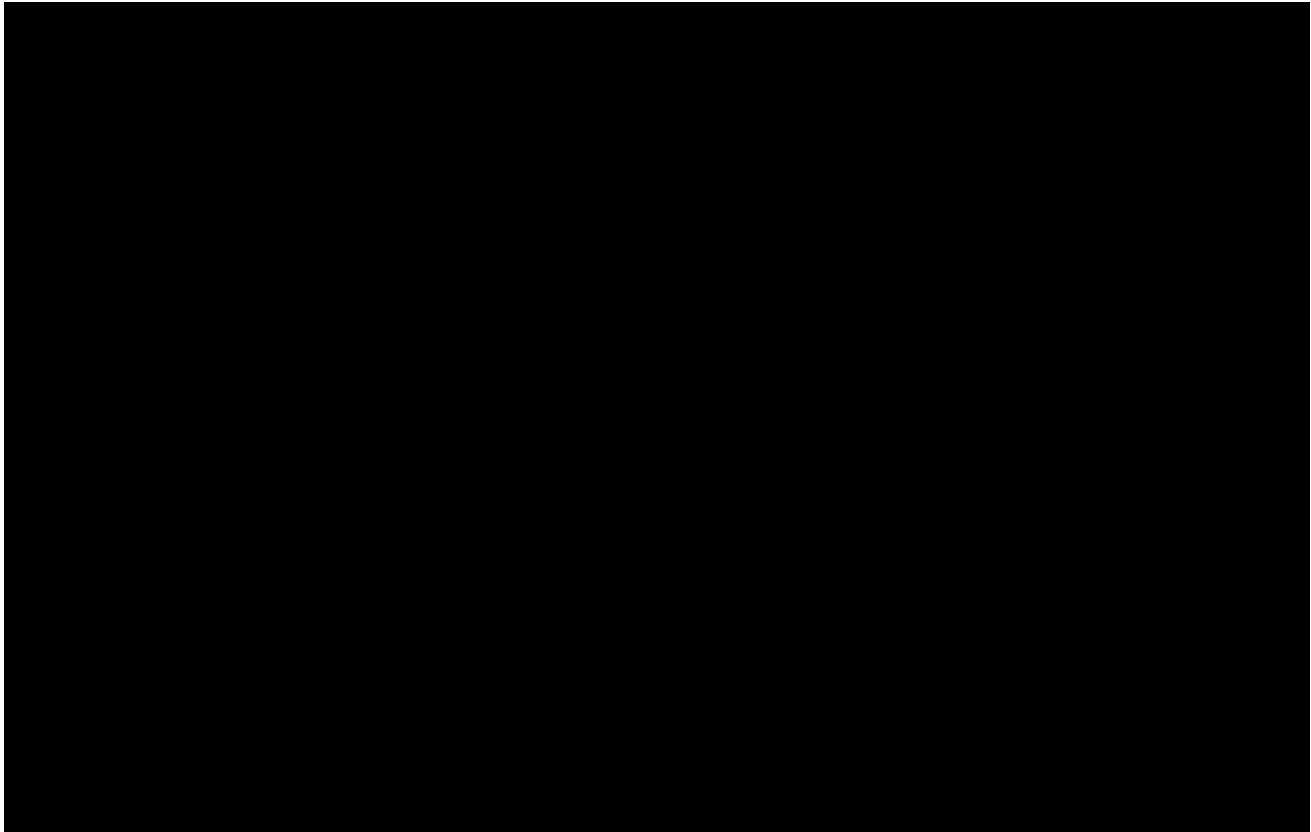

**Summary and Analysis:**

On October 24, 2024, Patricia A. Davis filed a Complaint alledging that GrassoforCongress6 and Christen Korzyniewski, Treasurer, (the Committee) and Gary A. Grasso (the Candidate) (collectively Respondents) misreported candidate loans and cash-on-hand balances on the 2024 October Quarterly Report, filed on October 15, 2024. The Complainant states that the 2024 October Quarterly Report discloses candidate loans totaling \$150,000 less than the previous report, without reporting any repayment. The Complainant also states that the 2024 October Quarterly Report discloses a cash-on-hand balance that is \$62,952.67 higher than the previous report, without reporting any receipts.

The Committee's Response to the Complaint, dated December 5, 2024, states that upon receiving notice of the Complaint on November 5, 2024, the Committee notified the Reports Analysis Division (RAD) that it had inadvertently used an incorrect database file when it uploaded the original 2024 October Quarterly Report. The Committee worked with RAD and the Electronic Filing Office to amend the report using the proper database file.

The amended report, which corrected the issues cited in the Complaint and corrected the public record, was filed on December 3, 2024.

Due to the inadvertent nature of the error along with the efforts taken to correct the public record, the ADRO recommends the Commission exercise prosecutorial discretion and dismiss the matter. *Heckler v. Chaney* 470 U.S. 821 (1985).

**RECOMMENDATIONS:**

1. Dismiss ADR 1203 (MUR 8336).
2. Approve the appropriate letters.
