Re: ADR 1203 (MUR 8336)
GrassoForCongress6 and Christen Korzyniewski, Treasurer (C00799247)

Dear Patricia A. Davis:

On October 24, 2024, the Federal Election Commission (FEC/Commission) received your complaint alleging certain violations of the Federal Election Campaign Act of 1971, as amended.

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and take no action against the Respondents, GrassoForCongress6 and Christen Korzyniewski, Treasurer. In its memorandum to the Commission, dated March 3, 2025, this office stated:

Summary and Analysis of Case:

On October 24, 2024, Patricia A. Davis filed a Complaint alleging that GrassoForCongress6 and Christen Korzyniewski, Treasurer, (the Committee) and Gary. A. Grasso (the Candidate) (collectively Respondents) misreported candidate loans and cash-on-hand balances on the 2024 October Quarterly Report, filed on October 15, 2024. The Complainant states that the 2024 October Quarterly Report discloses candidate loans totaling \$150,000 less than the previous report, without reporting any repayment. The Complainant also states that the 2024 October Quarterly Report discloses a cash-on-hand balance that is \$62,952.67 higher than the previous report, without reporting any receipts.

The Committee's Response to the Complaint, dated December 5, 2024, states that upon receiving notice of the Complaint on November 5, 2024, the Committee notified the Reports Analysis Division (RAD) that it had inadvertently used an incorrect database file when it uploaded the original 2024 October Quarterly Report. The Committee worked with RAD and the Electronic Filing Office to amend the report using the proper database file. The amended report, which corrected the issues cited in the Complaint and corrected the public record, was filed on December 3, 2024.

Due to the inadvertent nature of the error along with the efforts taken to correct the public record, the ADRO recommends the Commission exercise prosecutorial discretion and dismiss the matter. *Heckler v. Chaney* 470 U.S. 821 (1985).

Accordingly, the Commission closed its file in this matter on March 12, 2025.

The FEC is obligated by federal regulations to make a finding to terminate its proceedings public, as well as the basis therefore. 11 C.F.R. § 111.20. In addition, the Commission will also place on the record copies of the complaint, correspondence exchanged between Respondents and the Commission, and reports prepared for the Commission by this office to assist in its consideration of this matter. Accordingly, copies of documents relative to this matter will be forwarded shortly to the FEC's Public Information Office.

The Act allows a complainant to seek judicial review of the Commission's dismissal of this action. See 52 U.S.C. § 30109(a)(8).

Sincerely,
