Re: MUR 5431

Dear Ms. Stevenson:

Please be advised, I am the President of A. Aleem Construction Inc. and the 4502 Park Avenue, LLC. Please be advised, that at the time of making a contribution to the campaign of Tracy L. Boyland, I had heard from a friend that she was an advocate for the construction industry. As such and being involved in the construction industry, I decided to support her and intended to make a \$500.00 contribution. Unfortunately, due to a clerical error, this \$500.00 contribution was paid two (2) times, one by each company. In that the companies share a bookkeeper this error was made and overlooked. At no time, did I intend to make more than a \$500.00 contribution and at no time, did I have any knowledge whatsoever that there was anything illegal about my contribution. Indeed, I am both shocked and surprised at this development and am inclined now to demand a return of my contribution.

As such, I would respectfully request that no action be taken against A. Aleem Construction Inc. or 4502 Park Avenue, LLC in that there was never any intent or knowledge of any violation of the Federal Elections Campaign Act of 1971 at the time of such contribution.
