The Code of Federal Regulations PART 103 (Campaign Depositors) SECTION 103.3  
Deposits of receipts by a <sup>Political</sup> ~~campaign~~ committee shall be deposited in  
accounts pursuant to 11 CFR, 103.2. Section 103.3 states that all  
checks must be deposited within 10 days - OR - the checks may be  
returned. I mailed a check for \$25 - to the "John Kerry for President Inc's  
New York H.Q. on April 2. It was not cleared by my bank until June 3 - 2004.  
(See attached e-c front and back of check.) After perhaps 2 or 3 weeks  
I phoned the N.Y. H.Q. asking why my check had not been cashed. They  
didn't know - many subsequent calls to both my H.Q. and national H.Q. in Washington,  
I got answers ranging from "you should have sent it directly to us in Washington" to  
"we had so many checks we couldn't process them. One person in NYC finally did  
check the computer and confirmed receipt of my check. I talked to a few  
staffers - "compliance" = people in Washington including a message  
to the Fed. E.C. to ask if any regulation stated when a check must be deposited.  
I learned a boot the 10 day rule and that the Kerry campaign committee was  
in double violation - they neither cashed it within 10 days nor returned it  
to me.

As you can see it took them 2 months to cash my  
check & I don't know if they were unaware of the regulation  
or were aware and chose to ignore it. Sincerely -
