Ref. MUR 5464

Dear Mrs. Smith:

This letter is in response to your letter dated June 23 2004. In Responding to the Complaint, let me state that while I may have given out some erroneous information on the 22<sup>nd</sup> of May ( NOSOTROS EL PUEBLO) it was unintentionally done and a result of my lack of knowledge on the Federal Election Campaign Act of 1971, as amended ( "The Act" ). Moreover, I was corrected immediately on-air by the other commentators. In addition, in order to correct the error, additional and correct information was issued on other Radio Unica programs.

Finally, I do not believe that any additional action should be taken against me, because, any alleged violation was unintentional, is not ongoing, and it will not happen again in the future.

Respectfully,

  
José Libardo Rivera
