Re: ADR 225 (RR 04L-17)
National Right To Life PAC and Amarie C. Natividad, Treasurer

Dear Ms. Natividad:

The Reports Analysis Division of the Federal Election Commission ("FEC" or "Commission") determined that matters arising from its recent review of the Amended 2003 Year End Report warranted further examination for possible violation of the Federal Election Campaign Act of 1971, as amended. The Commission, thereafter, reviewed the file and voted on March 3, 2005 to assign this matter to the FEC's Alternative Dispute Resolution Office ("ADRO") for processing.

The FEC established the ADR Program to provide an informal means for resolving matters that come before the Commission and to facilitate negotiations directly with Respondents. The ADR Program provides Respondents with an opportunity to negotiate, and if necessary, mediate settlement of a matter that is mutually agreeable. The negotiations occur prior to any Commission consideration of whether there is reason to believe a violation has occurred. If negotiations and/or mediation are successful, the resulting settlement would conclude the matter.

The Commission, in referring the matter to the ADR office, determined that the case is eligible for processing in the ADR program. If Respondents decide to participate in the Program, i.e., negotiation and/or mediation, you must: 1) indicate in writing a willingness to have your case submitted to the ADR process; 2) agree to participate in the bilateral negotiations and if necessary, mediation; and 3) waive the statute of limitations while the matter is being processed under the FEC's ADR program.

The issues referred to the ADRO and the focus of our subsequent negotiations are summarized as follows:

ADR 225/RR 04L-17: The National Right to Life PAC and Amarie C. Natividad, Treasurer ("Respondents" or "Committee") filed an Amended 2003 Year-End Report on

April 8, 2004 to disclose additional unitemized contributions of \$125,099.76. This was a 74.6% increase in unitemized contributions disclosed in the original 2003 Year-End Report filed on January 29, 2004. In response to a Request for Additional Information sent by the Reports Analysis Division ("RAD") the Committee stated that the additional receipts were due to the fact that Respondents had not completed a reconciliation of their books at the time the original report was due.

If after reviewing this letter and the enclosed brochure, which describes the ADR program, Respondents would like this case selected for ADR processing, you need to affirmatively indicate that on the enclosed Commitment to Submit Matter to ADR Program form. **Failure to respond affirmatively within fifteen (15) business days of receipt of this letter will be taken as a notice of disinterest in the program and your case will be dropped from further consideration for ADR.** In that event, your case will be sent to the FEC's Office of General Counsel and the likelihood that the Committee will be audited during the next election cycle will increase.

This matter has been designated as ADR 225. Please refer to this number in future correspondence with the FEC. If you have questions about the ADR Program, please contact the ADRO at my direct dial as indicated below

Sincerely,

Lynn M. Fraser, Assistant Director
