Re: MUR 5501 Michael Moore

Dear Mr. Norton:

We represent Michael Moore, individually. We received a copy of a complaint filed by Marcus G. McDonald that does little more than attempt to name Michael Moore as a respondent. The complaint fails to meet the basic procedural requirements detailed in 11 C.F.R. § 111.4. Most notably, it does not contain a clear and concise recitation of the facts which describe a violation of statute or regulation of which the Federal Election Commission has jurisdiction. To respond further it would only serve to dignify a complaint not worthy of further response. Accordingly, we request the complaint in the above referenced matter be dismissed.

Sincerely,

  
Kenneth A. Gross
