MUR # 5501

Re. Illegal Campaigning and Finance

So much for Campaign (Fin.) Reform! For over six months now your commission, which is sworn to enforce campaign laws, has callously allowed illegal insurgent organizations: A.C.T., MoveOn.org., George Soros, and now a "nazi propaganda" film to destroy our U.S. political process. The uneducated, socially maladjusted, anti-American, hate monger is skirting valid campaign laws to destroy our system of electing a president by fair and equitable means, because he (Michael-Mor'ron') hates our President and our system of government. The film is totally a lie, yet Democrats recruit outside theaters.

If you allow this to continue, we will see a corrupt political "mess" that rapidly degenerates the electoral process, and we will lose control of our government and constitutional rights to "sacred" ballot. The producers and financiers of this garbage is a host of "social Democratic" operatives (like those above) who work "indirectly" for the Democratic Party, but stay "outside" our campaign and fund raising laws. That's beyond human reason!

Perpetrators are in order: Teresa and John Kerry; the Tides Foundation; The Democratic Justice Fund and George Soros; Miramax films former producers; and Michael Moore. The enclosed newsletter documents the sources. This ties the violent hate film of Michael Moore to these Democratic operatives and to the Kerrys. This coercion is irreparable and illegal.

The attachment is part of this formal complaint.

> Following is a brief background on Mrs. John Kerry . She hates being

> Kerry was born in Mozambique, the daughter of a Portuguese physician,

> So how does Mrs. Heinz Kerry spend John Heinz's money? Just one example:
> According to the G2 Bulletin, an online intelligence newsletter of
