Dear Mr. Ambassador:

Thank you for your recent letter and notification of your availability to discuss the matter designated as ADR 292/PMUR 428, while you are in Washington on consultations. Either January 3rd at 1 p.m. or the 12th at 3 p.m. would be agreeable. I suggest that you make it at your convenience and so advise me. Thereafter, please plan on calling me at my office (# 202-694-1661) and we will proceed to address and resolve the matter. We conduct most of your discussions on the phone and suggest we plan on doing the same with this matter.
