To Whom It May Concern:

We have used our "best efforts" to collect the required information for every one of our donors (see attached Form). In the case that a check is mailed with the enclosed contribution form improperly filled out, we call and follow up with letters to ensure the collection of the required information. In addition, if you go to our website at [www.daveforamerica.com](http://www.daveforamerica.com) and click on "donate today", contributions cannot be accepted without the required information, including occupation and employer. It should be noted that by the time you receive this letter, we will have filed an amended report for our July quarterly report that updates the information we have been able to collect. We would not intentionally omit any required information.
