Re: ADR 368 (RAD 06L-33)

Dear Mr. Holloway:

The Reports Analysis Division of the Federal Election Commission ("FEC" or "Commission") referred Wynn for Congress and Gregory Holloway, Treasurer ("Respondents" or the "Committee") for failing to disclose all financial activity on their 2006 July Quarterly Report. Respondents filed the original 2006 July Quarterly Report on July 12, 2006, followed by an amended 2006 July Quarterly Report on July 14, 2006. Respondents filed a second amended 2006 July Quarterly Report on July 28, 2006. It is the discrepancy between the first amended report filed on July 14, 2006 and the second amended report filed on July 28, 2006 that is at issue. RAD did not factor in the original 2006 July Quarterly Report due to the fact that the first amended report was filed before the required filing date. The amended 2006 July Quarterly Report filed on July 28, 2006 disclosed \$50,143 in additional receipts. On August 29, 2006, RAD sent a RFAI to the Committee requesting clarification of the increase in receipts.

In response to the RFAI, Respondents contend that the increase in receipts occurred due to data input errors by a new Committee employee. Respondents found the errors while doing their quality assurance process on the 2006 July Quarterly Report, made the corrections, and immediately filed the amended report.

After considering the circumstances of this matter, the Commission has determined to exercise its prosecutorial discretion and to issue an admonishment, but take no further action against the Respondents Wynn for Congress and Greg Holloway, Treasurer.

Accordingly, the Commission closed its file in this matter on March 20, 2007.

The FEC is obligated by federal regulations to make a finding to terminate its proceedings public, as well as the basis therefore. 11 C.F.R. § 111.20(b). In addition, the Commission will also place on the record copies of the complaint, correspondence

exchanged between Respondents and the Commission, and reports prepared for the Commission by this office to assist in its consideration of this matter. Accordingly, copies of documents relative to this matter will be forwarded shortly to the FEC's Public Information Office.

If you have any questions regarding this matter please be in touch. My telephone number is 202-694-1665.
