November 30, 2006

Dear Attorney Jordan:

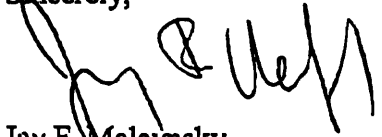

I am writing on the advice of Alva DeJarnett-Miller to request some additional time to respond to your letter of November 1, 2006 to the Honorable Nancy Johnson.

The letter was brought to my attention by the Johnson for Congress campaign on November 6th. I immediately held a meeting with some of the consultants involved in the production of the materials in question, and requested that they provide me with explicit detail on how the situation developed. I then went on vacation with my family on November 17, returning this Monday the 27th.

I fully expect to be able to respond in detail with all required information on or before December 15th, and I am requesting an extension of time from you to accomplish that.

Thank you for your consideration and I look forward to hearing from you at your earliest convenience.

Sincerely,

Jay F. Malcynsky
