Re: MUR 5846

To Whom It May Concern:

The Jeff Fortenberry for United States Congress Committee received your letter dated October 23, 2006 regarding the printing of our public communications disclosure on a campaign billboard posted in our district.

Even though the proper verbiage "Paid for by Jeff Fortenberry for United States Congress Committee" was printed in accordance with federal election campaign law, the box highlighting the disclosure was inadvertently omitted. The billboard was the only type of campaign material that was printed in error. We have included pictures of other campaign material and advertisements that have the proper box highlighting the communications required by the Federal Election Commission.

Given that this printing was an inadvertent error and that the intent of the Jeff Fortenberry for United States Congress Committee was to strictly comply with all federal campaign finance regulations, we request that no further action be taken.

Please feel free to contact me at 703-430-6635 with any questions you may have.

Sincerely,

T. Edward Anfinson, Treasurer
